

Summary of Discovery Indigenous Applications for Funding to Commence in 2006

Queensland

University of Southern Queensland

DI0668361 Dr B Collins-Gearing

Approved Project Title Reading as a cultural and historical practice

2006 : \$10,000

2007 : \$10,000

Primary RFCD 4203 CULTURAL STUDIES

Administering Institution University of Southern Queensland

Project Summary

A better understanding and use of reading as an academic tool for Indigenous and non-Indigenous students and educators will be a result of the research. It will provide a new understanding of how reading skills can be used by Indigenous students to comprehend academic information and how academics can approach reading without excluding Indigenous knowledges.
