2.2 This Agreement is subject to the Act. If there is any conflict between this Agreement and the Act, then the Act prevails to the extent of any inconsistency.

3. Entire Agreement and Variation

3.1 This Agreement, including Schedules, the Proposal for each Project and the Funding Rules, constitutes the entire agreement between the parties and supersedes all communications, negotiations, arrangements and agreements, whether oral or written, between the parties with respect to the subject matter of this Agreement.

3.2 Notwithstanding clause 3.1, the Minister may at any time impose other requirements or conditions in connection with any Funding covered by this Agreement as provided for under the Act. The Administering Organisation must as soon as possible, or as otherwise agreed in writing with the ARC, comply (or procure compliance) with any other Ministerial conditions or requirements notified by the ARC from time to time. - 5.6 Unless otherwise indicated or required by Law, all consideration for any supply made under this Agreement is exclusive of any GST imposed on the supply. If the Administering Organisation makes a taxable supply to the Commonwealth under this Agreement, the Commonwealth, on receipt of a tax invoice from the Administering Organisation or the issuing of a Recipient Created Tax Invoice by the Commonwealth, will pay without setoff an additional amount to the Administering Organisation equal to the GST imposed on the supply in question. 6. Accuracy of Information/Malpractice

- 6.1 The provision of any Funding for a Project is conditional on all information contained in the Proposal for that Project and all reports required by this Agreement from the Administering Organisation being complete, accurate and not misleading. The Commonwealth regards inaccurate and misleading information as including, but not being limited to, claiming fictitious track records, inflating funds obtained from other

sources and false claims in the publication record, e.g. describing a paper as being “in press” or accepted even if it has only been submitted.

- 6.2 If the Commonwealth considers that a Proposal for a project, or any report provided under this Agreement contains incomplete, inaccurate or misleading information, the Commonwealth may do any or all of the following:
- (a) not pay the Administering Organisation any further Funds for that Project;

9. Over-expenditure by the Administering Organisation

- 9.1 Any Project expenditure incurred by the Administering Organisation for a Project additional to the approved amount for that Project specified in Schedule A, or as otherwise varied by the Minister, is the responsibility of the Administering Organisation. The Commonwealth will not reimburse the Administering Organisation for such costs under any circumstances.

10. Multi-Institutional Agreements

- 10.1 The Administering Organisation must not allow a Project to commence, nor Funding to be expended, until it has entered into a written partner agreement with each Collaborating Organisation in accordance with this clause 10. The Administering Organisation must reach agreement with each Collaborating Organisation and enter into a written partner agreement with each such organisation before the final date for commencement of the Project as determined in accordance with clauses 11 and 12.
- 10.2 An agreement entered into with a Collaborating Organisation must include provisions that:
- (a) outline the role and contribution, if any, of the Collaborating Organisation;

- 10.3 The Administering Organisation will retain the agreement, and make it available to the ARC if required.

11. Commencement of Project

- 11.1 Subject to clause 12, the Project (including any IRF element of a Project) must commence by no later than 31 July 2008, unless the commencement has been deferred to a later date approved by the ARC.

12. Deferral of Commencement of Project and/or Indigenous Researcher Fellowship

- 12.1 If the Administering Organisation wishes to defer commencement of a Project (including an IRF element of a Project) beyond 31 July 2008, a written request justifying the requested deferral in terms of special circumstances must be made to the Scheme Coordinator, through the Administering Organisation's Research Office, prior to the commencement date specified in clause 11.1.

- 12.2 The Administering Organisation must not defer commencement of a Project (including an IRF element of the Project) beyond 31 July 2008 unless the Administering Organisation has received written approval from the ARC.
- 12.3 Other than in exceptional circumstances, the ARC will not approve the commencement of a Project (including an IRF element of a Project) beyond 31 October 2008. The ARC may recover funding for any Project which has not commenced by 31 October 2008.
- 12.4 If an Indigenous Researcher Fellow is one of several Specified Personnel on a Project and the Administering Organisation wishes to commence the Project before the Fellow can commence on the Project, and the delayed commencement of the Fellow has not been specified in the Proposal for the Project, approval must be obtained from the ARC for:
- (a) the Project to commence before the Fellow commences work on the Project;

- 12.6 If the ARC considers that a Project is viable without the Indigenous Researcher Fellow's contribution and the Fellow is unable to commence her/his Fellowship by the applicable commencement date for the Project, or by such later date approved by the ARC under clause 12.4(b) above, the Fellowship component of the Project will not be funded. Funding for a Fellowship may be used to fund only the person to whom the Fellowship is awarded. Fellowships are not transferable to other persons and the Funds may not be used under any circumstances other than to fund research personnel or research activities.

13. Suspension of Project

- 13.1 If any of the Specified Personnel on a Project is not able to perform the Project for a period or periods of time the Project may be suspended for a period or periods totalling up to 12 months. The duration of a Project may be extended for a period equal to the duration of the approved suspension(s). The Funds for the Project which would otherwise have been payable during the suspension period(s) will continue to be paid to the Administering Organisation during the suspension period(s) and the ARC will not supplement the Funds to cover any additional costs incurred as a result of the suspension or delay in finalisation of the Project.
- 13.2 If a proposed suspension is to commence after the first 12 months of the Project and is for 6 months or less, the Administering Organisation may, at its discretion, approve the suspension. The Administering Organisation must notify the ARC of the suspension in its next Progress or Final Report for the Project.
- 13.3 If the proposed suspension is to commence within the first 12 months of the Project or is for more than six months, the Responsible Officer must apply to the Scheme Coordinator to seek the ARC's approval of the suspension prior to the commencement of the suspension. The ARC will approve such suspensions only if detailed written justification for the request is provided. The Administering Organisation must detail the suspension in its next Progress or Final Report for the Project.
- 13.4 Subject to clause 13.2 above, a suspension for any other purpose or under any other circumstance without the prior written approval of the ARC may result in the

termination and/or recovery of Funding for the Project. (See Schedule D, item D6 for information regarding suspensions of Fellowships).

14. Specified Personnel

- 14.1 The Administering Organisation shall ensure that the Specified Personnel conduct the Project in a diligent and competent manner and comply with this Agreement.
- 14.2 The Administering Organisation shall provide each Chief Investigator or Indigenous Researcher Fellow with a copy of this Funding Agreement within a reasonable time after the commencement of the Funding.
- 14.3 The Administering Organisation warrants that it has made proper inquiries of the Specified Personnel in relation to their eligibility to perform the Project.
- 14.4 The Administering Organisation shall ensure that, unless otherwise approved by the Commonwealth, all Chief Investigators named in Schedule A or subsequently approved to perform any Project meet the criteria specified in subsection 5.1.5 and section 5.2 of the Funding Rules for the full term of their participation in the Project as a Chief Investigator.

15. Change of Specified Personnel

- 15.1 If a Chief Investigator is at any time during the term of a Project no longer able to continue the Project, the Project may be continued under one or more Chief Investigators provided that:
 - (a) there is at least one Chief Investigator or Indigenous Researcher Fellow undertaking the Project;
 - (b) all replacement or additional Chief Investigators meet the eligibility criteria, as specified in the Funding Rules for the particular role they are to perform, for the periods for which they are to perform that role;
 - (c) approval is sought from the Scheme Coordinator for the change in Specified Personnel:
 - i. in writing (including the proposed Personnel's curriculum vitae); and
 - ii. within 3 months of the date that the Specified Personnel cease working on the Project;
 - (d) If additional or replacement Chief Investigators, Mentors or Supervisors ("New Personnel") are proposed for a Project, the Administering Organisation must obtain certifications from the New Personnel and their employers which have similar effect to those required to be obtained for the other Specified Personnel on the Project; and
 - (e) the change is approved, in writing, by the Minister.
- 15.2 If an Indigenous Researcher Fellow is no longer able to continue performing a Project, the IRF component for that person will be terminated. A Fellowship component cannot be transferred to another person. In such cases, other than where the Fellow is the only Specified Personnel on a project, if approved by the Minister, any unspent Funding for the Fellowship may be used for the Project for other purposes providing it is in accordance with the 'Proposal Description' included in the Proposal. If the Fellow is the only Specified Personnel on a Project, the funding condition set out in clause 5.2(b) will not have been satisfied.
- 15.3 If the ARC considers that a Project is not viable without an Indigenous Researcher Fellow's contribution to the Project, and/or the Funding for a Project decreases to below \$20,000, funding for the Project may be terminated.

- 15.4 If an Indigenous Researcher Fellow is the only Specified Personnel on a Project, and her/his involvement with the Project is to cease or be reduced significantly, Funding for the Project will be terminated.
- 16. Transfer of Project or Indigenous Researcher Fellowship or Specified Personnel**
- 16.1 The Administering Organisation must promptly notify the ARC of any Specified Personnel on the Project who moves to an Eligible Organisation other than the Administering Organisation at any time during the funding period for that Project.
- 16.2 If the transferring Specified Personnel is the Project Leader, then the Administering Organisation may seek the Minister's approval for the transfer of the Project to a new Eligible Organisation by submitting a "Variation of Funding Agreement" request outlining arrangements for the continuation of the Project and the continued administration of the funding.
- 16.3 If the proposed arrangements include a transfer of the Funding from the Administering Organisation to another Eligible Organisation ('the recipient Eligible Organisation'), the Minister shall have regard to the circumstances surrounding the proposed transfer and may approve the transfer subject to such conditions as the Minister considers appropriate. The request must provide evidence that the following parties agree to the transfer:
- (a) the Administering Organisation;
 - (b) the recipient Eligible Organisation.
- 16.4 When the ARC receives a proposal requesting the transfer of Funding it may seek the Minister's approval for the transfer of unspent Funds and indicative Funding for the Project and any Assets as outlined in clause 22 to the recipient Eligible Organisation.
- 16.5 If Ministerial approval is granted in such circumstances to transfer the Funding (and any Assets):
- (a) the Administering Organisation must:

34.2 The Administering Organisation's liability to indemnify the Commonwealth under clause 34.1 above shall be reduced proportionally to the extent that any act or omission of the Commonwealth or its employees or agents contributed to the loss or liability.

Research Special Conditions

- C1. **Importation of Experimental Organisms:** The Administering Organisation must ensure that, before experimental organisms are imported into Australia for the purposes of a Project, the Administering Organisation or the Chief Investigator of the Project must obtain agreement in principle for the importation from the appropriate Commonwealth and State authorities.
- C2. **Research Involving Humans or other Animals:** If any Project conducted by the Administering Organisation involves research on or involving humans or other animals, the Administering Organisation shall ensure that the codes adopted for these purposes by the National Health and Medical Research Council are complied with and that the Project may not commence without clearance from the Administering Organisation's Ethics or Biosafety Committee (or equivalent) and from any other relevant authority outside of the Administering Organisation..
- C3. **Deposition of Biological Materials:** Any biological material accumulated during the course of a Project shall be transferred to an Australian body with statutory responsibility for control of such material. If no such body is available to take control of the biological material then the Administering Organisation shall dispose of the material in accordance with the Administering Organisation's established safeguards.
- C4. **Genetic Manipulation:** If a Project involves the preparation and/or use of recombinant nucleic acids constructed *in vitro* from sources that do not ordinarily recombine genetic information, approval in writing by the Administering Organisation's Ethics or Biosafety Committee (or equivalent) or the Office of the Gene Technology Regulator (OGTR) must be obtained.
- C5. **Genetically Modified Organisms:** If a Project involves, or is concerned with the use of, Genetically Modified Organisms, the Administering Organisation shall ensure that the principles and guidelines established and approved from time to time by the Australian Government's Office of the Gene Technology Regulator (OGTR).
- C6. **Recombinant DNA techniques on animals or humans:** If a Project involves or concerns the use of recombinant DNA techniques on animals or humans then, before the proposed research commences, the Administering Organisation shall ensure that the research has been approved by the relevant Ethics or Biosafety Committee (or equivalent) of the Administering Organisation. The Administering Organisation shall retain all Certificates relating to the above and will provide such evidence to the Scheme Coordinator if required to do so.
- C7. **Ionising Radiation:** If a Project involves the use of ionising radiation, the Administering Organisation shall ensure that any personnel performing procedures involving ionising radiation are appropriately trained and hold a relevant current licence from the appropriate State authority. The Administering Organisation shall retain all such licences and shall provide them to the Scheme Coordinator if required to do so.
- C8. **Social Science Data Sets:** Any digital data arising from a Project involving research relating to the social sciences should be lodged with the Australian Social Science Data Archive (ASSDA) for secondary use by other investigators. This should normally be done within two years of the conclusion of any fieldwork relating to the Project research. If a Chief Investigator is not intending to do so within the two-year period, he or she should include the reasons in the Project's Final Report.

Special Conditions Applicable for Projects with an Indigenous Researcher Fellowship Element

D1 Commencement of the Indigenous Researcher Fellowship

- D1.1 The Administering Organisation must ensure that Indigenous Researcher Fellows commence their Indigenous Researcher Fellowship in accordance with clauses 11 and 12 of this Agreement.
- D1.2 The Administering Organisation must ensure that an Indigenous Researcher Fellow does not commence the Indigenous Researcher Fellowship until after he/she has been awarded her/his PhD.
- D1.3 In accordance with clauses 12.4, 12.5 and 12.6 of this Agreement, where the Indigenous Researcher Fellow is one of several Chief Investigators on a Project and it is proposed to begin the Project before the Fellow can commence on the Project, approval will need to be obtained from the ARC for the Project to commence. The ARC will ascertain whether the Project is viable without the Fellow's participation.
- D1.4 If the ARC does not consider the Project viable without the Indigenous Researcher Fellow's contribution to the Project and the Fellow cannot commence on the Project in accordance with clauses 11 and 12 of this Agreement, Funding for the Project as a whole will be terminated.

D2 Indigenous Researcher Fellowship – Salary Funding

- D2.1 The Administering Organisation must provide salary funding to each Indigenous Researcher Fellowship holder named in Schedule A for the duration of her/his Fellowship at least the level of the ARC notional IRF salary as listed in Schedule B (or as otherwise varied by the ARC).
- D2.2 Subject to item D4 below, the duration of an Indigenous Researcher Fellowship is a maximum of 2 years and provision of Funding for the Fellowship is subject to the receipt of satisfactory Progress Reports. Funding for an Indigenous Researcher Fellowship will not be extended beyond 2 years except as provided for in clauses D4.5 and D4.6 below.
- D2.3 The Administering Organisation shall make up any shortfall between the ARC notional Indigenous Researcher Fellowship salary and on-costs, and the prevailing salary levels for other academic staff at a similar level, from sources other than the Funds, so that the Indigenous Researcher Fellows are no worse off financially than their peers.

D3 Use of the Funding - Relocation Expenses

- D3.1 Subject to the provisions of this clause D3, the Administering Organisation may make reimbursement payments from the Funding to an Indigenous Researcher Fellow, including dependants, for relocation costs (for travel expenses and the removal of household items only) on provision of full particulars of mode and time of travel and the provision of receipts for all other payments e.g. removal expenses of household items. The Administering Organisation may make a claim for reimbursement of such payments providing a written request to the ARC within 12 months of the date of relocation of the Fellow.
- D3.2 The Administering Organisation must ensure that travel expenses, where payable from the Funding, do not exceed the cost of the cheapest direct airfare for the Indigenous

Researcher Fellow and their dependants. If a Fellow elects to travel by car, the ARC will provide reimbursement based on a mileage allowance up to the maximum equivalent of the cheapest direct airfare. On completion of the Indigenous Researcher Fellowship, the Fellow will be entitled to the same return travel provisions provided that the Fellow has not obtained subsequent employment in Australia for a period exceeding 12 months.

- D3.3 Subject to item D3.5, the ARC will pay to the Administering Organisation funding in addition to the Funds specified in Schedule A to cover the reimbursement of relocation costs following receipt of a written claim from the Administering Organisation and provided that the claim and the receipts are submitted to the ARC within 12 months of the date of relocation of the Fellow. All claims are to be made in Australian dollars.
- D3.4 The ARC will not provide reimbursement for items it considers are not appropriate or reasonable including, but not limited to: temporary or longer-term accommodation, cost for locating accommodation, rental bonds, purchase or hire of household furniture, telephone and other utility connections, pet housing, and other items considered typical household expenses.
- D3.5 The Administering Organisation may reimburse Indigenous Researcher Fellows and claim reimbursement from the Commonwealth up to and including the following amounts for travel expenses for relocation and the removal of household items for Fellows and their dependants:
- (a) a maximum of \$17,000 for a Fellow who relocates from the USA;
 - (b) a maximum of \$14,000 for a Fellow who relocates from UK / Europe / Asia (Northern Hemisphere);
 - (c) a maximum of \$11,000 for a Fellow who relocates from NZ / Asia (Southern Hemisphere); and
 - (d) a maximum of \$8,000 for a Fellow who relocates within Australia.
- D3.6 For the purposes of relocation entitlements, a dependant is defined as a person who moves residence with the Indigenous Researcher Fellow. A spouse who transfers employment and residence to the city where a Fellow is to be based can be regarded as a dependant. A child continuing to study elsewhere and not intending to live predominantly with the Fellow is not regarded as a dependant.

D4 Conditions of Employment and Recognition of Indigenous Researcher Fellows

- D4.1 Indigenous Researcher Fellows may not hold another position either at the Administering Organisation or at another Eligible Organisation unless otherwise approved in writing by the ARC. Before an Indigenous Researcher Fellowship commences, the Administering Organisation must ensure that the Fellow does not hold a substantive tenured position at an Eligible Organisation (including at the Administering Organisation).
- D4.2 The Administering Organisation shall recognise Indigenous Researcher Fellows as academic staff and incorporate them fully into the activities and academic life of the Administering Organisation, but should note that limits do apply (see clause D4.3). Unless the Minister otherwise determines, or as otherwise approved by the ARC, the provision of salaries, recreation leave, sick leave and other conditions of employment for Indigenous Researcher Fellows shall be those of the Administering Organisation.
- D4.3 Indigenous Researcher Fellows may not accept additional appointments or remuneration without the prior written agreement of the Administering Organisation and the ARC. Notwithstanding clause D4.1, an Indigenous Researcher Fellow may undertake teaching, Researcher supervision or academic duties in addition to

performing the Project, but only where it enhances, rather than detracts from, the Fellow's performance of the project.

- D4.4 The Administering Organisation shall ensure that, during the Indigenous Researcher Fellowship period, a Fellow shall be entitled to leave of absence for recreation at the rate of four weeks per annum, to be taken at any time during the Fellowship period by arrangement between the Fellow and the Administering Organisation. However, the Commonwealth will not provide additional funds to cover accrued leave proposed to be taken after the Fellowship period has expired or been terminated. If a Fellow's salary entitlements for recreation leave accrued during the Fellowship are to be funded from the Funding, the Fellow must take her/his recreation leave during the period of Fellowship.
- D4.5 The Administering Organisation shall ensure that eligible Indigenous Researcher Fellows are entitled to up to 14 weeks' paid maternity leave during the duration of their Fellowship. The Commonwealth will provide up to 14 weeks' additional funding for this purpose and the Fellowship period will be extended for a period equivalent to the duration of the paid maternity leave. The additional Funding for this purpose is to be claimed through the End of Year Report submitted to the ARC or by means of submission of a "Variation of Funding Agreement" request.
- D4.6 The Administering Organisation shall ensure that eligible Indigenous Researcher Fellows are entitled to take up to two weeks' paid partner/parental leave at the time of birth or adoption to the parent who is not identified as the primary caregiver. The Commonwealth will provide up to 2 weeks' additional funding for this purpose and the Fellowship period will be extended for a period equivalent to the duration of the paid partner/parental leave. The additional Funding for this purpose is to be claimed through the End of Year Report and submitted to the ARC or by means of submission of a "Variation of Funding Agreement" request.
- D4.7 In addition to recreation leave as provided for in item D4.4 and maternity and paid partner/parental leave as provided for in items D4.5 and D4.6 above respectively, a Fellow may take additional leave of up to 12 months in total during the duration of the fellowship using accrued leave or leave without pay, providing it is in accordance with the Administering Organisation's normal practice and written approval has been obtained from the ARC. If approved by the ARC, the Fellowship period will be extended for a period equivalent to the length of (full-time equivalent) additional leave taken. In exceptional circumstances, or where warranted on compassionate grounds, the ARC may approve further additional leave and the Fellowship period may be extended accordingly. The Funds for the Fellowship which would otherwise have been payable during the period(s) when additional leave is taken will continue to be paid to the Administering Organisation during the leave period(s) and are to be held on trust by the Administering Organisation during the leave period(s). Other than in the circumstances provided for in items D4.5 and D4.6 above, the ARC will not supplement the Funds to cover any additional costs incurred as a result of the leave being taken or delay in finalisation of the Project/Fellowship.
- D4.8 Funding for Indigenous Researcher Fellow salaries include a 28 per cent loading to cover salary-related on-costs, including payroll tax, workers' compensation, leave loading, long-service leave, non-contributory and contributory superannuation, but it excludes items such as extended leave and severance pay. On-costs that exceed 28% and other costs (such as costs associated with or incurred as a result of extended leave and severance pay) must be met by the Administering Organisation.
- D4.9 Indigenous Researcher Fellows may apply in *Discovery Projects* for an Australian Postdoctoral Award, *Linkage Projects* for an APDI, or *Linkage—Australian*

Postdoctoral Award (CSIRO) for an Australian Postdoctoral Award (CSIRO) in the last year of their current Indigenous Researcher Fellowship.

D5 Infrastructure

- D5.1 The Administering Organisation shall provide Indigenous Researcher Fellows with the same access to infrastructure funds as applies to academic staff at the same level within the Administering Organisation and afford them equal status with similar staff for the provision of accommodation, access to necessary laboratory and workshop facilities, adequate time on the Administering Organisation's computer and other equipment, stationery, photocopying and typing services. The Administering Organisation is also required to provide reasonable time on major equipment necessary for the conduct of the Fellow's project.

D6 Suspension of an Indigenous Researcher Fellowship to enable Fellow to undertake other employment

- D6.1 A Fellow may apply for a suspension of the Fellowship for a period or periods of up to 12 months in total during the Fellowship period to enable the Fellow to undertake other employment. This may occur if, for example, a Fellow is offered a short-term teaching or research position. The suspension may be approved only if the work to be carried out during the suspension period(s) is, in the opinion of the ARC, reasonably closely related to the research being performed under the Fellowship by the Fellow. The Fellowship period may be extended for a period equal to the duration of the approved suspension(s). The Funds for the Fellowship which would otherwise have been payable during the suspension period(s) will continue to be paid to the Administering Organisation during the suspension period(s) and are to be held on trust by the Administering Organisation during the suspension period(s). The ARC will not supplement the Funds to cover any additional costs incurred as a result of the suspension or delay in finalisation of the Project/Fellowship.
- D6.2 Subject to item D6.1, if a proposed suspension is to commence after the first 12 months of the Project and is for six (6) months or less, the Administering Organisation may, at its discretion, approve the suspension. The Administering Organisation must notify the ARC of the suspension in its next Progress or Final Report for the Project.
- D6.3 If a proposed suspension is to commence within the first 12 months of the Project or is more than six months' duration, the Responsible Officer must apply to the Scheme Coordinator to seek the ARC's approval of the suspension.
- D6.4 Subject to item D6.2, a suspension of a Fellowship without the written approval of the ARC will be a breach of this Agreement and may result in the immediate termination of, and/or recovery of funding for, the particular Fellowship.

D7 Relinquishment of an Indigenous Researcher Fellowship

- D7.1 The Administering Organisation shall require Fellows to give one month's notice to the Administering Organisation if they intend to cease working on a Project or reduce their involvement on the Project or relinquish the Fellowship.
- D7.2 The Administering Organisation must notify the ARC in writing as soon as possible after it becomes aware that a Fellowship holder named in Schedule A intends on terminating her/his Fellowship, or is not able to continue performing the Project, in the same capacity as provided for in the award of the Fellowship.
- D7.3 The Administering Organisation must advise the ARC Scheme Coordinator of any significant change in circumstances or the relinquishment of a Fellowship by a

fellowship holder named in Schedule A by means of a submission of a “Variation of Funding Agreement” request to the ARC.

- D7.4 If the ARC does not consider a Project viable without a Fellow’s ongoing contribution to the Project, funding for the Project in its entirety may be terminated with effect from the date of the changed circumstances and the Commonwealth may recover any or all unspent Funds in accordance with this Agreement.
- D7.5 If the ARC does consider the Project to be viable without a Fellow’s contribution, the Fellowship component of the Project may be terminated and the Commonwealth may recover any unspent Funds relating to the Fellowship for that Fellow.
