In such cases, other than where the Fellow is the only Specified Personnel on a Project, if approved by the Minister, any unspent Funding for the Fellowship may be used for the Project for other purposes providing it is in accordance with the 'Proposal Description' included in the Proposal. If the Fellow is the only Specified Personnel on a Project, the funding condition set out in clause 5.2(b) will not have been satisfied.

- 15.3 If the ARC considers that a Project is not viable without a Fellow's contribution to the Project, and/or the Funding for a Project decreases to below \$20,000, funding for the Project may be terminated.

- 15.4 If a Fellow is the only Specified Personnel on a Project, and her/his involvement with the Project is to cease or be reduced significantly, Funding for the Project will be terminated.

16 Transfer of Project or Fellowship or Specified Personnel

- 16.1 The Administering Organisation must promptly notify the ARC of any Specified Personnel on the Project who moves to an Eligible Organisation other than the Administering Organisation at any time during the funding period for that Project.

- 16.2 If the transferring Specified Personnel is the Project Leader, then the Administering Organisation may seek the Minister's approval for the transfer of

the Project to a new Eligible Organisation by submitting a *Variation of Funding Agreement* request outlining arrangements for the continuation of the Project and the continued administration of the funding.

- 16.3 If the proposed arrangements include a transfer of the Funding from the Administering Organisation to another Eligible Organisation ('the recipient Eligible Organisation'), the Minister shall have regard to the circumstances surrounding the proposed transfer and may approve the transfer subject to such conditions as the Minister considers appropriate. The request must provide evidence that the following parties agree to the transfer:
- (a) the Administering Organisation; and
 - (b) the recipient Eligible Organisation.
- 16.4 When the ARC receives a request for the transfer of Funding it may seek the Minister's approval for the transfer of unspent Funds and indicative Funding for the Project and any Assets as outlined in clause 22 to the recipient Eligible Organisation.
- 16.5 If Ministerial approval is granted in such circumstances to transfer the Funding (and any Assets):
- (a) the Administering Organisation must:
 - i. agree to any variation or termination (as applicable) of this Agreement proposed by the ARC to give effect to the changed Funding arrangements;
 - ii. provide to the ARC, in writing, the amount of all unspent Funds for the Project and pay the ARC such unspent Funds. The ARC may then provide the unspent Funds to the recipient Eligible Organisation;
 - iii. report expenditure of Funding for the Project prior to the transfer in its End of Year Report and identify the transfer in the relevant column; and
 - iv. comply with any other directions reasonably given by the ARC to give effect to the transfer;
 - (b) the recipient Eligible Organisation will be required to:
 - i. enter into a new, or vary an existing, Funding Agreement with the ARC to give effect to the changed funding arrangements; and
 - ii. report expenditure of Funding for the Project subsequent to the transfer in its End of Year Report and identify the transfer in that Report.
- 16.6 If a Chief Investigator or Fellow changes organisation and the Minister's approval is not given for arrangements for the continuation of the Project and the continued administration of the Funding, the Project may be terminated and any unspent funds recovered by the ARC.
- 16.7 If funding for a project which was previously administered by another Eligible Organisation is to be transferred to the Administering Organisation, the Administering Organisation must ensure that the project which is being transferred and the Specified Personnel performing the project satisfy the eligibility and accountability requirements of the Funding Rules and terms and conditions of this Agreement.
- 16.8 Relocation expenses associated with the transfer of any Specified Personnel from another Eligible Organisation to the Administering Organisation will not

be paid. Relocation costs will not be paid on the transfer of a Fellow from the Administering Organisation to the recipient Eligible Organisation after the final date for commencement in clause 11, or after the deferred commencement date approved in accordance with clause 12.

- 16.9 The Project or any equipment purchased with the Funding must not be transferred to the recipient Eligible Organisation until Ministerial approval for the transfer of the Funding is granted.

17 Negation of Employment by the Commonwealth

- 17.1 Specified Personnel and the Administering Organisation must not represent themselves as being employees, partners or agents of the Commonwealth, or as otherwise able to bind or represent the Commonwealth.
- 17.2 Specified Personnel and the Administering Organisation shall not by virtue of this Agreement or for any purpose be, or be deemed to be, employees, partners, or agents of the Commonwealth, or as having any power or authority to bind or represent the Commonwealth.

18 Conduct of Research

- 18.1 Projects (including any Fellowship elements) must be conducted in accordance with any Special Conditions specified in this Agreement and with any other requirements or conditions imposed by the Minister in connection with any Funding covered by this Agreement.
- 18.2 The Administering Organisation must ensure that a Project under this Agreement will not proceed without appropriate ethical clearances from the relevant committees and/or authorities referred to in Schedule C or prescribed by the Administering Organisation's research rules. Responsibility for ensuring that such clearances have been obtained remains with the Administering Organisation.
- 18.3 All parties involved in or associated with a Proposal and/or a Project are required to disclose to the ARC, and the other parties involved in the Project (including Collaborating Organisations), any actual or potential conflict of interest which has the potential to influence, or appear to influence, the research and activities, publications and media reports, or requests for funding related to the Project.
- 18.4 If the Administering Organisation or any Specified Personnel become aware of any such actual or potential conflict of interest relating to any party involved in a Project, the Administering Organisation must:
- (a) notify the ARC immediately of the nature and details of the conflict of interest; and
 - (b) have established processes in place for managing the (actual or potential) conflict of interest for the duration of the project. Such processes must comply with the NHMRC/ARC/UA *Australian Code for the Responsible Conduct of Research Practice* (2007).
- 18.5 If the Administering Organisation or any Specified Personnel has failed to disclose a conflict of interest, the Commonwealth may do any of the things provided for in clause 5.3 (a), (b) or (c).
- 18.6 Each Project must, unless otherwise approved by the ARC in writing, conform to the principles outlined in the following and their successor documents:
- (a) the NHMRC/ARC/UA *Australian Code for the Responsible Conduct of Research* (2007);

- (b) as applicable, the NHMRC/ARC/AVCC *National Statement on Ethical Conduct in Human Research* (2007);
- (c) as applicable, the NHMRC's other codes on animal research.

19 Conduct of Elements of Projects: Identification of APD, ARF/QEII and APF

- 19.1 If a Project has an APD, ARF/QEII or APF element, the names of the persons awarded the Fellowships and the salary plus on-costs appear in Schedule A. The Administering Organisation must conduct Projects involving ARC Fellows in accordance with the Special Conditions for APDs, ARF/QEII and APFs specified in Schedule D. The Special Conditions for these Fellowships form part of this Agreement.

20 Material Produced under this Agreement and Dissemination of Research Outputs

- 20.1 The Administering Organisation must establish and comply with its own procedures and arrangements for the ownership of all Material produced as a result of any Project funded under this Agreement.
- 20.2 For any Material produced under this Agreement, the Administering Organisation must ensure that all Specified Personnel (Chief Investigators, Partner Investigators and Fellows):
- (a) take reasonable care of, and safely store, any data or specimens or samples collected during, or resulting from, the conduct of their Project;
 - (b) make arrangements acceptable to the ARC for lodgement with an appropriate museum or archive in Australia of data or specimens or samples collected during, or resulting from, their Project; and
 - (c) include details of the lodgement or reasons for non-lodgement in the Progress Reports and the Final Report for the Project.
- 20.3 The Administering Organisation shall consider the benefits of depositing the data and any publications arising from each Project in an appropriate subject and/or institutional repository wherever such a repository is available. If the Administering Organisation is not intending to deposit the data from a Project in a repository either before, or within six months after, the completion of a Project the reasons for not doing so must be detailed in the Project's Final Report. Any research outputs that have been or will be deposited in appropriate repositories should be identified in the Final Report.
- 20.4 This clause survives the expiration or earlier termination of this Agreement.

21 ARC Assessments

- 21.1 The Administering Organisation must ensure that, for the term of this Agreement, if requested by the ARC, Chief Investigators and Fellows agree to assess up to twenty new proposals for ARC funding per annum for each year of Funding.
- 21.2 If the ARC determines that a Chief Investigator and/or Fellow has failed to meet the obligation to assess proposals assigned by the ARC for assessment, the ARC may notify the Administering Organisation in writing of that failure.
- 21.3 If a Chief Investigator and/or Fellow does not undertake assessment of the assigned proposals within a period specified by the ARC of the notice referred to in clause 21.2 above, the Administering Organisation will be considered to be in breach of this Agreement and Funding for the relevant Projects including

Fellowships on which the Chief Investigator and/or Fellow is listed as Specified Personnel under this Agreement may be terminated.

22 Assets

- 22.1 Unless otherwise approved by the ARC, assets purchased with Funding must be purchased for the exclusive purposes of the Project for the duration of the Funding Period.
- 22.2 The Administering Organisation shall establish and comply with its own procedures and arrangements for purchasing, installing, recording, maintaining and insuring all items of equipment purchased with the Funds.
- 22.3 The Administering Organisation shall ensure that any Personnel shall have first priority in the use and operation of equipment purchased for the Project and the Administering Organisation must, so far as is practicable, permit persons authorised by the Minister or the ARC to have priority access to that equipment in preference to other persons.
- 22.4 Unless otherwise approved by the ARC, the ownership of any Asset purchased wholly or partly with the Funding shall be vested in the Administering Organisation, located on its campus and listed in its assets register unless:
- (a) otherwise specified in the Proposal;
 - (b) the Project is terminated, in which case the Minister may, by notice in writing, require the transfer of any such item of equipment to the Commonwealth; or
 - (c) the Project is transferred to another organisation in accordance with clause 16, in which case, subject to the agreement of both the Administering Organisation and the recipient Eligible Organisation under that clause, the equipment purchased with Funds provided under this Agreement for the relevant Project may be transferred in accordance with clause 16.9.

23 Intellectual Property

- 23.1 The Administering Organisation must adhere to an Intellectual Property policy, approved by the Administering Organisation's governing body, which has as one of its aims the maximisation of benefits arising from research. The Commonwealth makes no claim on the ownership of Intellectual Property brought into being as a result of the Projects for which Funding is provided.
- 23.2 Unless otherwise approved by the ARC, the Administering Organisation's Intellectual Property policy referred to in clause 23.1 must comply with the *National Principles of Intellectual Property Management for Publicly Funded Research* as amended from time to time.
- 23.3 The Administering Organisation, if it is not a Commonwealth entity which is contracting on behalf of the Commonwealth, must at all times indemnify the Commonwealth, its officers, employees and agents (in this clause referred to as 'those indemnified') from and against any loss (including legal costs and expenses on a solicitor/own client basis) or liability incurred or suffered by any of those indemnified arising from any claim, suit, demand, action or proceeding by any person in respect of any infringement (or alleged infringement) of Intellectual Property rights by the Administering Organisation, its employees, agents or subcontractors in the course of, or incidental to, performing the Project or the use by the Commonwealth of reports provided by the Administering Organisation under this Agreement.

23.4 The indemnity referred to in clause 23.3 shall survive the expiration or termination of this Agreement.

24 Protection of Personal Information

24.1 The Administering Organisation agrees with respect to all activities related to or in connection with the performance of the Project or in connection with this Agreement:

- (a) to comply with the Information Privacy Principles set out in section 14 of the *Privacy Act 1988* which concern the collection, security, access, data quality, relevance, use and disclosure of personal information to the extent that the content of those principles applies to the types of activity the Administering Organisation is undertaking under this Agreement, as if it were a record-keeper as defined in the *Privacy Act 1988*;
- (b) not to transfer personal information held in connection with this Agreement outside Australia, or to allow parties outside Australia to have access to it, without the prior approval of the Commonwealth;

- (e) to comply with any policy guidelines laid down by the Commonwealth or issued by the Privacy Commissioner from time to time relating to the handling of personal information;
- (f) to comply with any reasonable direction of the CEO to observe any recommendation of the Privacy Commissioner relating to any acts or practices of the Administering Organisation that the Privacy Commissioner considers to be a breach of the obligations in paragraph (a) above;
- (g) to comply with any reasonable direction of the CEO to provide the Privacy Commissioner access for the purpose of monitoring the Administering Organisation's compliance with this clause;
- (h) to indemnify the Commonwealth in respect of any loss, liability or expense suffered or incurred by the Commonwealth arising out of, or in connection with, a breach of the obligations of the Administering Organisation under this clause or any misuse of personal information by the Administering Organisation, or any disclosure by the Administering Organisation in breach of an obligation of confidence whether arising under the *Privacy Act 1988* or otherwise;
- (i) to ensure that any record (as defined in the *Privacy Act 1988*) containing personal information provided to the Administering Organisation by the Commonwealth or any other person pursuant to this Agreement is, at the expiration or earlier termination of this Agreement, either returned to the ARC or deleted or destroyed in the presence of a person authorised by the ARC to oversee such deletion or destruction; and
- (j) to the naming or other identification of the Administering Organisation in reports by the Privacy Commissioner.

 - (f) as required or permitted by any other law, or an express provision of this Agreement, to be disclosed; or
 - (g) that is in the public domain other than due to a breach of this clause 25.
- 25.3 The Commonwealth warrants that, for a period of three years from the date of submission of the Final Report for the Project, it will consult with the Administering Organisation before any information which is contained in any reports related to the Project, and which the Administering Organisation has indicated is confidential and should not be disclosed, is disclosed to any person other than an officer, employee, agent or member of the ARC or the Minister. If disclosure is required to other persons, the Commonwealth will discuss the intended terms of disclosure with the Administering Organisation.

- 28.2 Records maintained under clause 28.1 must be retained by the Administering Organisation for each Project for a period of no less than 7 years after whichever is the later of:
- (a) the final payment of Funds by the ARC for the Project; or

29 Audit and Monitoring

- 29.1 The Administering Organisation is responsible for monitoring the expenditure of the Funding and certifying to the ARC that the Funding has been expended in accordance with this Agreement in the End of Year Report. If at any time, in the opinion of the Responsible Officer of the Administering Organisation, the Funding is not being expended in accordance with this Agreement, the Administering Organisation must take all action necessary to minimise further expenditure in relation to the Project and inform the ARC immediately.
- 29.2 The ARC may conduct ad hoc on-site reviews in relation to financial and other reports to ensure that the terms of this Agreement are being, or were, met and that reports submitted to the ARC are an accurate statement of compliance by the Administering Organisation and are not misleading. Persons nominated by the ARC to conduct these reviews are to be given full access by the Administering Organisation, if required, to all accounts, records, documents and premises in relation to the Funding and the administration of the Funds in general.

Any Chief Investigator or Fellow who was involved in a Project for which a Progress Report was deemed inadequate or unsatisfactory may be contacted for further information.

- (c) If the ARC is not satisfied with the progress of any Project, further payment of Funds will not be made until satisfactory progress has been made on the Project. - (d) Unsatisfactory progress on any Project may be noted against any further proposals under any ARC scheme submitted by, or on behalf of, the Chief Investigators or Fellows and will be taken into account in the assessment of those proposals.

31.4 Final Report

- (a) Unless otherwise approved by the ARC, the Administering Organisation must ensure that Final Reports are provided for each Project within six months of the final payment of Funds by the ARC for the Project or within six months of the final carry over of Funds approved by the ARC, whichever is the later. The form for this report will be made available by the ARC on the ARC's website. The ARC may review the outcomes against the objective(s) of the Project as stated in the Proposal or any approved revised budget, aims and research plan.
- (b) If a Final Report is considered by the ARC to be inadequate, the Chief Investigators and Fellows who were involved in the Project may be contacted for further information. If the ARC is not satisfied with the outcomes of the Project, this may be noted against any further proposals under any ARC scheme submitted by, or on behalf of, the Chief Investigators and Fellows and may be taken into account in the assessment of those proposals.
- (c) If the Final Report is not submitted on time this may be noted against any further proposals under any ARC scheme submitted by, or on behalf of, the Chief Investigators and Fellows and may be taken into account in the assessment of those proposals.

- (b) In completing the Audited Financial Statement, the Administering Organisation must ensure that the amount shown in that statement as 'approved carry forward funds' is the same as the amount (if any) for which approval was given by the ARC to carry over in the End of Year Report.

31.6 This clause survives the expiration or earlier termination of this Agreement.

32 Copyright in Proposals and Reports

32.1 Copyright in any Proposal and all reports provided under this Agreement will vest in the Administering Organisation at the time of creation but the Administering Organisation grants to the Commonwealth a permanent, irrevocable, royalty-free, non-exclusive licence to use and reproduce information contained in a Proposal or a report and publish it on a non-profit basis for any purpose related to:

- (a) the evaluation and assessment of proposals;
- (b) verifying the accuracy, consistency and adequacy of information contained in a Proposal, or otherwise provided to the ARC;
- (c) the preparation and management of any funding agreement; or

34.2 The Administering Organisation's liability to indemnify the Commonwealth under clause 34.1 shall be reduced proportionally to the extent that any act or omission of the Commonwealth or its employees or agents contributed to the loss or liability.

34.3 The indemnity referred to above shall survive the expiration or termination of this Agreement.

35 Insurance

35.1 The Administering Organisation must effect and maintain adequate insurance or similar coverage to cover any liability arising as a result of its participation in *Discovery Projects* Projects and, if requested, provide the Commonwealth with

Research Special Conditions

- C1 *Importation of Experimental Organisms:* The Administering Organisation must ensure that, before experimental organisms are imported into Australia for the purposes of a Project, the Administering Organisation or the Chief Investigator of the Project must obtain agreement in principle for the importation from the appropriate Commonwealth and State authorities.
- C2 *Research Involving Humans or other Animals:* If any Project conducted by the Administering Organisation involves research on or involving humans or other animals, the Administering Organisation must ensure that the codes adopted for these purposes by the National Health and Medical Research Council are complied with and that the Project may not commence without clearance from the Administering Organisation's Ethics or Biosafety Committee (or equivalent) and from any other relevant authority.
- C3 *Deposition of Biological Materials:* Any biological material accumulated during the course of a Project shall be transferred to an Australian body with statutory responsibility for control of such material. If no such body is available to take control of the biological material then the Administering Organisation must dispose of the material in accordance with the Administering Organisation's established safeguards.
- C4 *Genetic Manipulation:* If a Project involves the use of gene technology (ie. any technique for the modification of genes or other genetic material either in vitro or on live organisms) or the use of a genetically modified organism (i.e., an organism that has been modified by gene technology or that has inherited particular traits from an organism that were present because of the use of gene technology), then before the proposed research commences, the Administering Organisation must ensure that the research has been approved in writing by the relevant Biosafety and/or Ethics Committees (or equivalent) of the Administering Organisation. The Administering Organisation must retain all certificates relating to the above and will provide evidence to the Scheme Coordinator if required to do so. The Administering Organisation must be accredited with the Office of the Gene Technology Regulator.'
- C5 *Ionising Radiation:* If a Project involves the use of ionising radiation, the Administering Organisation shall ensure that any personnel performing procedures involving ionising radiation are appropriately trained and hold a relevant current licence from the appropriate State authority. The Administering Organisation must retain all such licences and shall provide them to the Scheme Coordinator if required to do so.
- C6 *Social Science Data Sets:* Any digital data arising from a Project involving research relating to the social sciences should be lodged with the Australian Social Science Data Archive (ASSDA) for secondary use by other investigators. This should normally be done within two years of the conclusion of any fieldwork relating to the Project research. If a Chief Investigator is not intending to do so within the two-year period, he/she should include the reasons in the Project's Final Report.

Special Conditions Applicable for Projects with a Fellowship Element**D1 Australian Postdoctoral Fellowship**

- D1.1 The Administering Organisation must provide salary funding to each Australian Postdoctoral Fellowship holder named in Schedule A for the duration of her/his Fellowship at least at the level of the ARC notional APD salary as listed in Schedule B (or as otherwise varied by the ARC).
- D1.2 Subject to item D7 below, the duration of an Australian Postdoctoral Fellowship is a maximum of 3 years and provision of Funding for the Fellowship is subject to the receipt of satisfactory Progress Reports. Funding for a Fellowship will not be extended beyond 3 years except as provided for in clauses D1.3 and D7 below.
- D1.3 If a Fellow is undertaking a 4-year Australian Postdoctoral Fellowship under the 75 per cent salary and pro rata on-costs option, the Administering Organisation must provide salary funding to the Fellow from the Funding at 75% of the level of the ARC notional APD salary as listed in Schedule B (or as otherwise varied by the ARC). Unless a Fellow has requested that the other 25% of time be used on non-remunerated activities (such as family or carer responsibilities), the Administering Organisation is responsible for the remaining one-quarter of the salary and on-costs and any additional salary-related costs.
- D1.4 The Administering Organisation must make up any shortfall between the ARC notional APD salary and on-costs, and the prevailing salary levels for other academic staff at a similar level, from sources other than the Funds, so that the Fellows are no worse off financially than their peers.

D2 Australian Research Fellowship/Queen Elizabeth II Fellowship

- D2.1 The Administering Organisation must provide salary funding to each Australian Research Fellowship holder and each Queen Elizabeth II Fellowship holder named in Schedule A for the duration of her/his Fellowship at least at the level of the ARC notional ARF/QEII salary as listed in Schedule B (or as otherwise varied by the ARC). The duration of an Australian Research Fellowship or a Queen Elizabeth II Fellowship is 5 years and provision of funding for the Fellowship is subject to the receipt of satisfactory Progress Reports. The ARF and QEII Fellowship will not be extended beyond 5 years except as provided for in clause D7 below.
- D2.2 The Administering Organisation must make up any shortfall between the ARC notional ARF/QEII salary and on-costs, and the prevailing salary levels for other academic staff at a similar level, from sources other than the Funds, so that the Fellows are no worse off financially than their peers.

D3 Australian Professorial Fellowship

- D3.1 The Administering Organisation must provide salary funding to each Australian Professorial Fellowship holder named in Schedule A for the duration of her/his Fellowship at least at the level of the ARC notional APF salary as listed in Schedule B (or as otherwise varied by the ARC). The duration of an Australian Professorial Fellowship is 5 years and provision of funding for the Fellowship is subject to the receipt of satisfactory Progress Reports. Funding for APF Fellowships will not be extended beyond 5 years except as provided for in clause D7 below.

D3.2 The Administering Organisation must make up any shortfall between the ARC notional APF salary and on-costs, and the prevailing salary levels for other academic staff at a similar level, from sources other than the Funds, so that the Fellows are no worse off financially than their peers.

D4 50:50 Salary option

D4.1 A Proposal may have been approved for the ARC to pay 50% salary and 50% on-costs for ARF/QEII and APF Fellowships. In such cases, the Administering Organisation must not use the Funds to cover more than 50% of the salary at the level specified in Schedule B (or as otherwise varied by the ARC) and on-costs at 28% of the amount paid from the Funds for the Fellowship holder listed in Schedule A. The Administering Organisation must provide funding from sources other than the ARC funding to meet the remaining salary and on-costs for the Fellowship holder.

D5 Use of the Funding – Relocation expenses

D5.1 Subject to the provisions of this clause D5, the Administering Organisation may make reimbursement payments from the Funding to a Fellow, including dependants, for relocation costs (for travel expenses and the removal of household items only) on provision of full particulars of mode and time of travel and the provision of receipts for all other payments e.g. removal expenses of household items. The Administering Organisation may make a claim for reimbursement of such payments providing a written request is submitted to the ARC within 12 months of the date of relocation of the Fellow.

D5.2 The Administering Organisation must ensure that travel expenses, where payable from the Funding, do not exceed the cost of the cheapest direct economy airfare for the Fellow and their dependants. If a Fellow elects to travel by car, the ARC will provide reimbursement based on a mileage allowance up to the maximum equivalent of the cheapest direct airfare. On completion of the Fellowship, the Fellow will be entitled to the same return travel provisions provided that the Fellow has not obtained subsequent employment in Australia for a period exceeding twelve months.

D5.3 Subject to item D5.5, the ARC will pay to the Administering Organisation funding in addition to the Funds specified in Schedule A to cover the reimbursement of relocation costs following receipt of a written claim from the Administering Organisation and provided that the claim and the receipts are submitted to the ARC within 12 months of the date of relocation of the Fellow. All claims are to be made in Australian dollars.

D5.4 The ARC will not provide reimbursement for items it considers are not appropriate or reasonable including, but not limited to: temporary or longer-term accommodation, costs for locating accommodation, rental bonds, purchase or hire of household furniture, telephone and other utility connections, pet housing, and other items considered typical household expenses.

D5.5 The Administering Organisation may reimburse Fellows and claim reimbursement from the Commonwealth up to and including the following amounts for travel expenses for relocation and the removal of household items for Fellows and their dependants:

- (a) a maximum of \$17,000 for a Fellow who relocates from North America;
- (b) a maximum of \$14,000 for a Fellow who relocates from Europe / Asia (Northern Hemisphere)/ Africa/ South America;
- (c) a maximum of \$11,000 for a Fellow who relocates from Asia (Southern Hemisphere)/ Oceania; and

(d) a maximum of \$8,000 for a Fellow who relocates within Australia.

D5.6 For the purposes of relocation entitlements, a dependant is defined as a person who moves residence with the Fellow. A spouse who transfers employment and residence to the city where a Fellow is to be based can be regarded as a dependant. A child continuing to study elsewhere and not intending to live predominantly with the Fellow is not regarded as a dependant.

D6 Promotion

D6.1 APF Fellows must have access to promotion opportunities similar to other academic staff of the same grade. If an APF Fellow is promoted to a new level within the Australian Professorial Fellowship range, the Administering Organisation may seek ARC approval to increase the amount of salary payable to the Fellow from the Funds.

D6.2 If an APF Fellow has been promoted, the Administering Organisation may seek the Minister's approval for an increase in salary to the next step on the ARC notional APF salary scale. If approved, the date of effect for payment of the increased level of salary from the Funds will be the date of the ARC's written endorsement of the Fellow's new level.

D7 Conditions of Employment and Recognition of Fellows

D7.1 Subject to D7.2, ARC Fellows may not hold another position for which they receive, or will be receiving, remuneration either at the Administering Organisation or at another Eligible Organisation, unless otherwise approved in writing by the ARC. If the Administering Organisation has not obtained the ARC's approval in writing for a Fellow to hold another remunerated position, the Administering Organisation must ensure prior to the commencement of the Fellowship that the Fellow will not be receiving remuneration for any other position at an Eligible Organisation (including at the Administering Organisation).

D7.2 APD Fellows who have been awarded a 4-year 75 per cent salary and pro-rata on-costs APD may engage in teaching or other professional activities for 25% of their time.

D7.3 APF Fellows must not hold a continuing research-only position at Professor or equivalent level at an Eligible Organisation.

D7.4 The Administering Organisation shall recognise ARC Fellows as academic staff and incorporate them fully into the activities and academic life of the Administering Organisation, but should note that limits do apply (see clause D7.5). Unless the Minister otherwise determines, or as otherwise approved by the ARC, the provision of salaries, recreation leave, sick leave and other conditions of employment for Fellows shall be those of the Administering Organisation.

D7.5 ARC Fellows may not accept additional appointments or remuneration without the prior written agreement of the Administering Organisation and the ARC. Notwithstanding clause D7.1, a Fellow may undertake teaching, research supervision or academic duties in addition to performing the Project, but only where it enhances the Fellow's performance of the Project.

D7.6 The Administering Organisation must ensure that, during the Fellowship period, a Fellow shall be entitled to leave of absence for recreation at the rate of four weeks per annum, to be taken at any time during the Fellowship period by arrangement between the Fellow and the Administering Organisation. However, the Commonwealth will not provide additional funds to cover accrued leave proposed to be taken after the Fellowship period has expired or been terminated.

If a Fellow's salary entitlements for recreation leave accrued during the Fellowship are to be funded from the Funding, the Fellow must take his/her recreation leave during the period of Fellowship.

- D7.7 The Administering Organisation must ensure that eligible Fellows are entitled to up to 14 weeks' paid maternity leave during the duration of their Fellowship. The Commonwealth will provide up to 14 weeks' additional funding for this purpose and the Fellowship period will be extended for a period equivalent to the duration of the paid maternity leave. The additional Funding for this purpose is to be claimed through the End of Year Report submitted to the ARC or by means of submission of a *Variation of Funding Agreement* request.
- D7.8 The Administering Organisation must ensure that eligible Fellows are entitled to take up to two weeks' paid partner/parental leave at the time of birth or adoption to the parent who is not identified as the primary caregiver. The Commonwealth will provide up to 2 weeks' additional funding for this purpose and the Fellowship period will be extended for a period equivalent to the duration of the paid partner/parental leave. The additional Funding for this purpose is to be claimed through the End of Year Report submitted to the ARC or by means of submission of a *Variation of Funding Agreement* request.
- D7.9 In addition to recreation leave as provided for in item D7.6 and maternity and paid partner/parental leave as provided for in items D7.7 and D7.8 above respectively, a Fellow may take additional leave of up to 12 months in total during the duration of the fellowship using accrued leave or leave without pay, providing it is in accordance with the Administering Organisation's normal practice and written approval has been obtained from the ARC. If approved by the ARC, the Fellowship period will be extended for a period equivalent to the length of (full-time equivalent) additional leave taken. In exceptional circumstances, or where warranted on compassionate grounds, the ARC may approve further additional leave and the Fellowship period may be extended accordingly. The Funds for the Fellowship which would otherwise have been payable during the period(s) when additional leave is taken will continue to be paid to the Administering Organisation during the leave period(s) and are to be held on trust by the Administering Organisation during the leave period(s). Other than in the circumstances provided for in items D7.7 and D7.8 above, the ARC will not supplement the Funds to cover any additional costs incurred as a result of the leave being taken or delay in finalisation of the Project/Fellowship.
- D7.10 Funding for ARC Fellow salaries includes a 28% loading to cover salary-related on-costs, including payroll tax, workers' compensation, leave loading, long-service leave, non-contributory and contributory superannuation, but it excludes items such as extended leave and severance pay. On-costs that exceed 28% and other costs (such as costs associated with or incurred as a result of extended leave and severance pay) must be met by the Administering Organisation.
- D7.10 If an ARC Fellow has held a previously awarded ARC Fellowship (other than an ARC International Fellowship) and there is any salary-related funding (including on-costs) related to that previous Fellowship in respect of the Fellow which is:
- (a) payable by the ARC on or after 1 January 2009; or
 - (b) unexpended by the relevant administering organisation as at 1 January 2009;

the salary-related funding (including on-costs) associated with that previous Fellowship must be relinquished prior to 1 January 2009 and before the Fellow may commence receiving salary funding from the Funds.

D8 Infrastructure

- D8.1 The Administering Organisation must provide Fellows with the same access to infrastructure funds as applies to academic staff at the same level within the Administering Organisation and afford them equal status with similar staff for the provision of accommodation, access to necessary laboratory and workshop facilities, adequate time on the Administering Organisation's computer and other equipment, stationery, photocopying and typing services. The Administering Organisation is also required to provide reasonable time on major equipment necessary for the conduct of the Fellow's Project.

D9 Suspension of a Fellowship to enable Fellow to undertake other employment

- D9.1 A Fellow may apply for a suspension of the Fellowship for a period or periods of up to 12 months in total during the Fellowship period to enable the Fellow to undertake other employment. This may occur if, for example, a Fellow is offered a short-term teaching or research position. The suspension may be approved only if the work to be carried out during the suspension period(s) is, in the opinion of the ARC, reasonably closely related to the research being performed under the Fellowship by the Fellow. The Fellowship period may be extended for a period equal to the duration of the approved suspension(s). The Funds for the Fellowship which would otherwise have been payable during the suspension period(s) will continue to be paid to the Administering Organisation during the suspension period(s) and are to be held on trust by the Administering Organisation during the suspension period(s). The ARC will not supplement the Funds to cover any additional costs incurred as a result of the suspension or delay in finalisation of the Project/Fellowship.
- D9.2 Subject to item D9.1, if a proposed suspension is to commence after the first 12 months of the Project and is for six (6) months or less, the Administering Organisation may, at its discretion, approve the suspension. The Administering Organisation must notify the ARC of the suspension in its next Progress or Final Report for the Project.
- D9.3 If a proposed suspension is to commence within the first 12 months of the Project or is more than six months' duration, the Responsible Officer must apply to the Scheme Coordinator to seek the ARC's approval of the suspension.
- D9.4 Subject to item D9.2, a suspension of a Fellowship without the written approval of the ARC will be a breach of this Agreement and may result in the immediate termination of, and/or recovery of funding for, the particular Fellowship.

D10 Relinquishment of a Fellowship

- D10.1 The Administering Organisation must require Fellows to give one month's notice to the Administering Organisation if they intend to cease working on a Project or reduce their involvement on the Project or relinquish the Fellowship.
- D10.2 The Administering Organisation must notify the ARC in writing as soon as possible after it becomes aware that a Fellowship holder named in Schedule A intends on terminating her/his Fellowship, or is not able to continue performing the Project in the same capacity as provided for in the award of the Fellowship.
- D10.3 The Administering Organisation must advise the ARC Scheme Coordinator of any significant change in circumstances or the relinquishment of a Fellowship by a fellowship holder named in Schedule A by means of a submission of a *Variation of Funding Agreement* request to the ARC.

- D10.4 If the ARC does not consider a Project viable without a Fellow's ongoing contribution to the Project, funding for the Project in its entirety may be terminated with effect from the date of the changed circumstances and the Commonwealth may recover any or all unspent Funds in accordance with this Agreement.
- D10.5 If the ARC does consider the Project to be viable without a Fellow's contribution, the Fellowship component of the Project may be terminated and the Commonwealth may recover any unspent Funds relating to the Fellowship for that Fellow.
