- 5.5 The Commonwealth will pay to the Administering Organisation, by way of financial assistance in accordance with the Act, the approved amounts set out in Schedule A, which is net of any GST which may be imposed on the supply.
- 5.6 Unless otherwise indicated or required by Law, all consideration for any supply made under this Agreement is exclusive of any GST imposed on the supply. If the Administering Organisation makes a taxable supply to the Commonwealth under this Agreement, the Commonwealth, on receipt of a tax invoice from the Administering Organisation or the issuing of a Recipient Created Tax Invoice by the Commonwealth, will pay without setoff an additional amount to the Administering Organisation equal to the GST imposed on the supply in question. ## 6. Accuracy of Information/Malpractice

- 6.1 The provision of any Funding for a Project is conditional on all information contained in the Approved Proposal for that Project and all reports required by this Agreement from the Administering Organisation being complete, accurate and not misleading. The Commonwealth regards inaccurate and misleading information as including, but not being limited to, claiming fictitious track records, inflating funds obtained from other sources and false claims in the publication record, e.g. describing a paper as being “in press” or accepted even if it has only been submitted.
- 6.2 If the Commonwealth considers that a Proposal for a Project or any report provided under this Agreement contains incomplete, inaccurate or misleading information, the Commonwealth may do any or all of the following:
- (a) not pay the Administering Organisation any further Funds for that Project;

- 9.2 The Administering Organisation must ensure that travel expenses, where payable from the Funding, do not exceed the cost of the cheapest direct economy airfare (or concession rate if applicable) for the Fellow and their dependants. If a Fellow elects to travel by car, the ARC will provide reimbursement based on a mileage allowance up to the maximum equivalent of the cheapest direct economy airfare. On completion of the Fellowship, the Fellow will be entitled to the same return travel provisions provided that the Fellow has not obtained subsequent employment in Australia for a period exceeding twelve months.
- 9.3 Subject to clauses 9.4 and 9.5, the ARC will pay to the Administering Organisation funding in addition to the Funds specified in Schedule A to cover the reimbursement of relocation costs following receipt of a written request from the Administering Organisation and provided that the claim is submitted to the ARC within 12 months of the date of relocation of the Fellow. - 10.2 Fellowships, including those awarded 50 per cent salary support, are tenable on a full-time basis only at the Administering Organisation. The Administering Organisation must ensure that the Fellow is employed full-time on the research and research capacity-building activities of the Project.
- 10.3 Notwithstanding clause 10.2, a Fellow may serve as Centre Director or Research Director of an ARC Centre provided he/she works full time on research and research capacity building activities and that his/her administrative duties in the Centre do not consume a substantial amount of her/his time. If a Federation Fellow is to act as a Centre Director or Research Director of an ARC Centre, the Administering Organisation must advise the ARC in writing of the details of the arrangements to be put in place which will ensure that

- the Fellows administrative duties will not consume a substantial amount of her/his time (including details of those persons who will be responsible for the administrative functions of the Centre).
- 10.4 Fellows cannot hold another Fellowship either at the Administering Organisation or at another organisation. Before a Fellow commences the Fellowship the Administering Organisation must confirm that the Fellow has completed or relinquished any current Fellowships. This applies to all ARC Fellowships and any other Fellowship held with another funding body.
  - 10.5 Unless otherwise approved by the ARC, Fellows cannot hold another appointment/position (continuing or non-continuing) either at the Administering Organisation or at another organisation. Fellows must relinquish any existing appointment/positions (continuing or non-continuing) prior to commencement of the Fellowship.
  - 10.6 The Administering Organisation shall recognise Fellows as academic staff and incorporate them fully into the activities and academic life of the Administering Organisation, but should note that limits do apply (see following clause). Unless the Minister otherwise determines, or as otherwise approved by the ARC, the provision of salaries, recreation leave, sick leave and other conditions of employment for Fellows shall be those of the Administering Organisation.
  - 10.7 Notwithstanding clauses 10.2 and 10.5, a Fellow may undertake research supervision or academic duties in addition to performing the Project but only where it enhances, rather than detracts from, the Fellow's research. However, a Fellow may not accept additional appointment or remuneration without the prior agreement of the Administering Organisation and the ARC.
  - 10.8 The Administering Organisation shall provide Fellows with at least the level of cash, in-kind and infrastructure support as detailed in the Proposal.
  - 10.9 The Administering Organisation shall ensure that, during the Fellowship period, a Fellow shall be entitled to leave of absence for recreation at the rate of four weeks per annum, to be taken at any time during the Fellowship period by arrangement between the Fellow and the Administering Organisation. However, the Commonwealth will not provide additional funds to cover accrued leave proposed to be taken after the Fellowship period has expired or been terminated. If a Fellow's salary entitlements for recreation leave accrued during the Fellowship are to be funded from the Funding, the Fellow must take her/his recreation leave during the period of Fellowship.
  - 10.10 The Administering Organisation shall ensure that eligible Fellows are entitled to up to 14 weeks' paid maternity leave during the duration of their Fellowship. The Commonwealth will provide up to 14 weeks' additional funding for this purpose and the Fellowship period will be extended for a period equivalent to the duration of the paid maternity leave. The additional Funding for this purpose is to be claimed through the End of Year Report submitted to the ARC or by means of submission of a "Variation of Funding Agreement" request.
  - 10.11 The Administering Organisation shall ensure that eligible Fellows are entitled to take up to two weeks' paid partner/parental leave at the time of birth or adoption to the parent who is not identified as the primary caregiver. The Commonwealth will provide up to two weeks' additional funding for this purpose and the Fellowship period will be extended for a period equivalent to the duration of the paid partner/parental leave. The additional Funding for this purpose is to be claimed through the End of Year Report submitted to the ARC or submission of a "Variation of Funding Agreement" request.

- 10.12 In addition to recreation leave, the Fellow may take additional leave of up to 12 months in total during the duration of the Fellowship using accrued leave or leave without pay providing it is in accordance with the Administering Organisation's normal practice and written approval has been obtained from the ARC. If approved by the ARC, the Fellowship period will be extended for a period equivalent to the length of (full-time equivalent) additional leave taken. In exceptional circumstances, or where warranted on compassionate grounds, the ARC may approve further additional leave and the Fellowship period may be extended accordingly. The Funds for the Fellowship which would otherwise have been payable during the period(s) when additional leave is taken will continue to be paid to the Administering Organisation during the leave period(s) and are to be held on trust by the Administering Organisation during the leave period(s). Other, than in subsections 10.9 and 10.10 above, the ARC will not supplement the Funds to cover any additional costs incurred as a result of the leave being taken or delay in finalisation of the Fellowship.
- 10.13 Subject to clause 10.14, Fellows must reside predominantly in Australia for the full duration of the Project. If the Fellow does not have permanent resident status, she/he must obtain temporary resident status from the Department of Immigration and Citizenship before taking up the Fellowship.
- 10.14 Fellows may, with the written approval of the ARC, undertake periods of research overseas of up to two years duration in total during the period of the Fellowship. Fellows seeking approval to conduct research outside of Australia must demonstrate to the ARC that this is in the best interest of the research and its outcomes, and of national benefit to Australia.
- 10.15 Funding for Federation Fellow salaries includes a 28 per cent loading to cover salary-related on-costs, including payroll tax, workers' compensation, leave loading, long-service leave, no-contributory and contributory superannuation, but it excludes items such as extended leave and severance pay. On-costs that exceed 28 per cent and other costs (such as costs associated with or incurred as a result of extended leave and severance pay) must be met by the Administering Organisation.
- 10.16 The Minister may have approved a proposal for the ARC to pay 50 per cent salary and 50 per cent on-costs for a Fellow. In such cases, the Administering Organisation must not use the Funds to cover more than 50 per cent of the salary at the level specified in Schedule B (or as otherwise varied by the ARC) and on-costs at 28% of the amount paid from the Funds for the Fellowship holder listed in Schedule A. The Administering Organisation must provide funding from sources other than the ARC funding to meet the remaining salary and on-costs for the Fellowship holder.

## 11. Over-expenditure by the Administering Organisation

- 11.1 Any Project expenditure incurred by the Administering Organisation for a Project additional to the approved amount for that Project specified in Schedule A, or as otherwise varied by the Minister, is the responsibility of the Administering Organisation. The Commonwealth will not reimburse the Administering Organisation for such costs under any circumstances.

## 12. Commencement of Project

- C2. *Research Involving Humans or other Animals:* If any Project conducted by the Administering Organisation involves research on or involving humans or other animals, the Administering Organisation must ensure that the codes adopted for these purposes by the National Health and Medical Research Council are complied with and that the Project may not commence without clearance from the Administering Organisation's Ethics or Biosafety Committee (or equivalent) and from any other relevant authority.
