3 Entire Agreement and Variation

- 3.1 This Agreement, including Schedules, the Proposal for each Project and the Funding Rules, constitutes the entire agreement between the parties and supersedes all communications, negotiations, arrangements and agreements, whether oral or written, between the parties with respect to the subject matter of this Agreement.
- 3.2 Notwithstanding clause 3.1, the Minister may at any time impose other requirements or conditions in connection with any Funding covered by this Agreement. The Administering Organisation must immediately comply (or procure compliance) with any other Ministerial conditions or requirements notified by the ARC from time to time. In the event of any inconsistency between this Agreement and any such further requirements or conditions, the Administering Organisation will not be taken to have breached this Agreement where it has acted consistently with any further requirements or conditions notified under this clause.

- 6.4 If the Administering Organisation becomes aware of any such conflict of interest relating to any Party involved in or associated with a Project, the Administering Organisation must notify the ARC immediately of the nature and details of the conflict.
- 6.5 If the Administering Organisation or any Specified Personnel has failed to disclose any such conflict of interest, the Commonwealth may do any of the things provided for in clause 5.3 (a), (b) and (c).

- 19.2 If the ARC determines that a Chief Investigator has failed to meet the obligation to assess proposals assigned by the ARC for assessment, the ARC will notify the Administering Organisation in writing of that failure.
- 19.3 If a Chief Investigator does not undertake assessment of the assigned proposals within a period specified by the ARC of the notice referred to in clause 19.2 above, the Administering Organisation will be considered to be in breach of this Agreement and Funding for the relevant Projects on which the Chief Investigator is listed as Specified Personnel under this Agreement may be terminated.

20 Assets

- 20.1 The Administering Organisation shall establish and comply with its own procedures and arrangements for purchasing, installing, recording, maintaining and insuring all items of equipment purchased with the Funds.

- 20.3 The ownership of any Asset purchased wholly or partly with the Funding shall be vested in the Administering Organisation, located on its campus and listed in its assets register unless:
- (a) otherwise specified in the Proposal or provided for in Schedule A;
 - (b) the Project is terminated, in which case the Minister may, by notice in writing, require the transfer of any such item of equipment to the Commonwealth; or
 - (c) the Project is transferred to another organisation in accordance with clause 15, in which case, subject to the agreement of both the Administering Organisation and the recipient Eligible Organisation under that clause, the equipment purchased with funds provided under this Agreement for the relevant Project may be transferred in accordance with clause 15.

21 Intellectual Property

- 21.1 The Administering Organisation must adhere to an Intellectual Property policy, approved by the Administering Organisation's governing body, which has as one of its aims the maximisation of benefits arising from research. The Commonwealth makes no claim on the ownership of Intellectual Property brought into being as a result of the Projects for which Funding is provided.
- 21.2 Unless otherwise approved by the ARC, the Administering Organisation's Intellectual Property policy referred to in clause 21.1 must comply with the National Principles of Intellectual Property Management for Publicly Funded Research as amended from time to time and currently located on the ARC's website.
- 21.3 The Administering Organisation shall at all times indemnify the Commonwealth, its officers, employees and agents (in this clause referred to as 'those indemnified') from and against any loss (including legal costs and expenses on a solicitor/own client basis) or liability incurred or suffered by any of those indemnified arising from any claim, suit, demand, action or proceeding by any person in respect of any infringement (or alleged infringement) of Intellectual Property rights by the Administering Organisation, its employees, agents or subcontractors in the course of, or incidental to, performing the Project or the use by the Commonwealth of reports provided by the Administering Organisation under this Agreement.
- 21.4 The indemnity referred to in clause 21.3 shall survive the expiration or termination of this Agreement.

22 Protection of Personal Information

22.1 The Administering Organisation agrees with respect to all activities related to or in connection with the performance of the Project or in connection with this Agreement:

- (a) to comply with the Information Privacy Principles set out in Section 14 of the *Privacy Act 1988* which concern the collection, security, access, data quality, relevance, use and disclosure of personal information to the extent that the contents of those principles apply to the types of activities the Administering Organisation is undertaking under this Agreement, as if it were a record-keeper as defined in the *Privacy Act 1988*;
- (b) not to transfer personal information held in connection with this Agreement outside Australia, or to allow parties outside Australia to have access to it, without the prior approval of the Commonwealth;
- (c) to co-operate with any reasonable demands or inquiries made by the Federal Privacy Commissioner or the CEO in relation to the management of personal information by the Administering Organisation or breaches or alleged breaches of privacy;

- (h) to indemnify the Commonwealth in respect of any loss, liability or expense suffered or incurred by the Commonwealth arising out of, or in connection with a breach of the obligations of the Administering Organisation under this clause or any misuse of personal information by the Administering Organisation, or any disclosure by the Administering Organisation in breach of an obligation of confidence whether arising under the *Privacy Act 1988* or otherwise;
- (i) to ensure that any record (as defined in the *Privacy Act 1988*) containing personal information provided to the Administering Organisation by the Commonwealth or any other person pursuant to this Agreement is, at the expiration or earlier termination of this Agreement, either returned to the ARC or deleted or destroyed in the presence of a person duly authorised by the ARC to oversee such deletion or destruction; and

- (j) to the naming or other identification of the Administering Organisation in reports by the Federal Privacy Commissioner.

22.2 The Administering Organisation shall immediately notify the ARC if the Administering Organisation becomes aware of a breach of its obligations under clause 22.1.

22.3 This clause survives the expiration or earlier termination of this Agreement.

22A Confidentiality

22A.1 Subject to clause 22A.2, the ARC agrees not to disclose any Confidential Information of the Administering Organisation, without the Administering Organisation's consent.

22A.2 The ARC will not be taken to have breached its obligations under clause 22A.1 to the extent that the ARC discloses Confidential Information:

- (a) to its officers, employees, agents, external professional advisers or contractors solely to comply with obligations, or to exercise rights, under this Agreement;
- (b) to its internal management personnel solely to enable effective management or auditing of this Agreement or the National Competitive Grants Program or the Scheme;

- (f) as required or permitted by any other law, or an express provision of this Agreement, to be disclosed; or
- (g) that is in the public domain other than due to a breach of this clause 22A.

22A.3 The Commonwealth warrants that, for a period of three years from the date of submission of the Final Report for the Project, it will consult with the Administering Organisation before any information which is contained in any reports related to the Project, and which the Administering Organisation has indicated is confidential and should not be disclosed, is disclosed to any person other than an officer, employee, agent or member of the ARC or the Minister. If disclosure is required to other persons, the Commonwealth will discuss the intended terms of disclosure with the Administering Organisation.

23 Compliance with Commonwealth Policies

- 23.1 The Administering Organisation shall, when using the Commonwealth's premises or facilities, comply with all reasonable directions and ARC procedures relating to occupational health (including the Commonwealth's smoke free work place policy), safety and security in effect at those premises or in regard to those facilities, as notified by the Commonwealth or as might reasonably be inferred from the use to which the premises or facilities are being put.
- 23.2 The Administering Organisation shall comply with its obligations, if any, under the *Equal Opportunity for Women in the Workplace Act 1999* and shall not enter into a subcontract with a subcontractor named by the Equal Opportunity for Women in the Workplace Agency as an employer currently not complying with the *Equal Opportunity for Women in the Workplace Act 1999*.
- 23.3 The Administering Organisation shall, in its dealings with its employees, have due regard to Commonwealth policies on employment, including the *Workplace Relations Act 1996*, and obligations under relevant occupational health and safety laws.

24 Acknowledgements, Publications and Publicity

- 24.1 Subject to commercial sensitivities or Intellectual Property considerations, the outcomes of Projects are expected to be communicated to the research community and, where appropriate and possible, to the community at large.
- 24.2 When, at any time during or after completion of a Project, the Organisation publishes promotional material, books, articles, television or radio programs, newsletters or other literary or artistic works which relate to the Project, the Organisation shall acknowledge, at a prominent place in the publication, the support of the ARC in a form acceptable to the ARC.
- 24.3 Advice on acceptable forms of acknowledgement and use of the logo is provided on the ARC's website.

25 Administration of the Funding

- 25.1 The Administering Organisation must maintain reasonable, up-to-date and accurate records relating to the Funding in general and the Project(s) conducted with the Funding, in particular to verify its compliance with this Agreement.

26 Audit and Monitoring

- 26.1 The Administering Organisation is responsible for monitoring the expenditure of Funding and certifying to the ARC that the Funding has been expended in accordance with this Agreement, in the End of Year Report. If at any time, in the opinion of the Responsible Officer, the Funding is not being expended in accordance with this Agreement, the Administering Organisation shall take all action necessary to minimise further expenditure in relation to the Project and inform the ARC immediately.

26.2 The ARC may conduct ad hoc on-site reviews in relation to financial and other reports to ensure that the terms of this Agreement are being, or were, met and that reports submitted to the ARC are an accurate statement of compliance by the Administering Organisation. Persons nominated by the ARC to conduct these reviews are to be given full access by the Administering Organisation, if required, to all accounts, records, documents and premises in relation to the Funding and the administration of the funds in general.

27 Access to Premises and Records

27.1 The Administering Organisation shall, at all reasonable times, give to the CEO or any person authorised in writing by the CEO:

- (a) unhindered access to:
 - i. the Administering Organisation's employees;

 - iii. Material; and
- (b) reasonable assistance to:
 - i. inspect the performance of any or all Projects;
 - ii. locate and inspect Material relevant to any Project or the Administering Organisation's compliance with this Agreement or the Scheme; and
 - iii. make copies of any such Material and remove those copies and use them for any purpose connected with this Agreement.

27.2 The access rights in clause 27.1 are subject to:

- (a) the provision of reasonable prior notice by the ARC; and
- (b) the Administering Organisation's reasonable security procedures.

27.3 If a matter is being investigated which, in the opinion of the CEO of the ARC, or any person authorised in writing by the CEO, may involve an actual or apprehended breach of the law, clause 27.2 will not apply.

27.4 Upon receipt of reasonable written notice from the CEO of the ARC, the Administering Organisation shall provide any information required by the Commonwealth for monitoring and evaluation purposes.

27.5 Nothing in clause 27.1 to 27.4 inclusive affects the obligation of each party to continue to perform its obligation under this Agreement unless otherwise agreed between them.

27.6 The Auditor-General, or a delegate of the Auditor-General, for the purpose of performing the Auditor-General's statutory functions, at reasonable times and on giving reasonable notice to the Administering Organisation, may:

- (a) require the Administering Organisation to provide records and information which are directly related to this Agreement;

- (b) have access to the premises of the Administering Organisation for the purposes of inspecting and copying documentation and records, however stored, in the custody or under the control of the Administering Organisation which are directly related to this Agreement; and
- (c) where relevant, inspect any Commonwealth Assets and Commonwealth Material held on the premises of the Administering Organisation.

27.7 This clause shall survive the expiration or earlier termination of this Agreement.

28 Reporting Requirements

28.1 The Administering Organisation must submit the following reports and statement, in accordance with this Agreement and the Act, in the format required by the ARC, if specified.

28.2 End of Year Report

- (a) The Administering Organisation shall submit an End of Year Report by 31 March in the year following each calendar year for which the Funding was awarded. The ARC will provide the Administering Organisation with a proforma for this report.
- (b) The End of Year Report will contain information on all expenditure under the Approved Proposal, on a Project by Project basis, including:
 - i. any unspent Funds to be recovered by the Commonwealth;
 - ii. any unspent Funds that the Administering Organisation is seeking to have carried over into the next year; and
 - iii. the reasons why the unspent Funds are required to be carried over.
- (c) Under paragraph 58(1)(e) of the Act, Funds provided by the Commonwealth to the Administering Organisation which are not spent during the year of the Funding period to which those funds were allocated may be carried over where approved by the Minister. The Administering Organisation must request this approval in the End of Year Report.
- (d) If there is a request for a carry over of 75% or more of the Funds allocated for a calendar year (excluding any Funds carried over from the previous calendar year), separate written justification must be provided.
- (e) Funds may be carried over more than twelve months only in exceptional circumstances and subject to approval by the Minister. Separate written justification must be provided in this instance.

28.3 Progress Report

- (a) In the case of subscriptions or other payments to major international facilities, for those Projects funded for more than one year the Administering Organisation shall ensure that Project Leaders provide Progress Reports in respect of each ongoing Project every twelve months, with the first report due twelve months after the commencement of the funding period, on a proforma which will be made available on the ARC's website.
- (b) The ARC may review the outcomes reported against the objectives of the Project as stated in the Proposal, or any approved revised budget, aims and

research plan. Any Chief Investigators who were involved in a Project for which a Progress Report was deemed inadequate or unsatisfactory may be contacted for further information.

- (c) If the ARC is not satisfied with the progress of any Project, further payment of Funds will not be made until satisfactory progress has been made on the Project. If satisfactory progress is still not achieved within a reasonable period of time, the Funding may be terminated and all outstanding monies will be recovered by the ARC.
- (d) Unsatisfactory progress on any Project may be noted against any further proposals under any ARC scheme submitted by, or on behalf of, the Chief Investigator(s) and will be taken into account in the assessment of those proposals.

28.4 Final Report

- (a) Unless otherwise approved by the ARC, the Administering Organisation is required to submit a Final Report by 1 November of the year following the calendar year in which all ARC Funding and Collaborating and Partner Organisations' contributions have been expended;
- (b) If a Final Report is considered by the ARC to be inadequate, the Chief Investigators who were involved in the Project may be contacted for further information. If the ARC is not satisfied with the outcomes of the Project, this may be noted against any further proposals under any ARC scheme submitted by, or on behalf of, the Chief Investigators and may be taken into account in the assessment of those proposals;
- (c) If the Final Report is not submitted on time this may be noted against any further proposals under any ARC scheme submitted by, or on behalf of, the Chief Investigators and may be taken into account in the assessment of those proposals; and
- (d) Proposals submitted under any ARC scheme by, or on behalf of any Chief Investigator on a Project for which the Final Report is outstanding may be deemed ineligible for approval or funding.

28.5 Audited Financial Statement:

- (a) In accordance with Section 58 of the Act, the Administering Organisation shall submit an Audited Financial Statement by 30 June for each year following the calendar year for which the Funding was awarded.
- (b) In completing the Audited Financial Statement, the Administering Organisation must ensure that the amount shown in that statement as 'approved carry forward funds' is the same as the amount (if any) that the Administering Organisation sought and approval was given to carry over in the End of Year Report.

29 Copyright in Proposals and Reports

- 29.1 Copyright in any Proposal and all reports provided under this Agreement will vest in the Administering Organisation at the time of creation but the Administering Organisation grants to the Commonwealth a permanent, irrevocable, royalty-free, non-exclusive licence to use and reproduce information contained in a Proposal or a report and publish them on a non-profit basis for any purpose the Commonwealth sees fit.
- 29.2 If a Proposal or a report contains information belonging to a third party, the Administering Organisation must ensure that it has in place all necessary consents sufficient to allow the ARC to deal with the information or any report in accordance with this Agreement.

30 Recovery of Unspent Funds or Overpayments of Funds

- 30.1 Any unspent Funds may be recovered by the Commonwealth under paragraph 58(1)(c) of the Act. Any amount of funding paid to the Administering Organisation which exceeds the amount of financial assistance that is properly payable to it may be recovered under paragraph 58(1)(d) of the Act.
- 30.2 The Commonwealth may offset the unspent or overpaid Funds against the total of any further funds payable to the Administering Organisation.

31 Indemnity

- 31.1 The Administering Organisation shall at all times indemnify the Commonwealth, its officers, employees and agents (in this clause referred to as 'those indemnified') from and against any loss (including legal costs and expenses on a solicitor/own client basis) or liability, reasonably incurred or suffered by any of those indemnified arising from any claim, suit, demand, action or proceeding by any person against any of those indemnified where such loss or liability was caused by a wilful, unlawful or negligent act or omission of the Administering Organisation, its employees, agents or subcontractors in connection with this Agreement.
- 31.2 The Administering Organisation's liability to indemnify the Commonwealth under clause 31.1 shall be reduced proportionally to the extent that any act or omission of the Commonwealth or its employees or agents contributed to the loss or liability.
- 31.3 The indemnity referred to above shall survive the expiration or termination of this Agreement.

32 Insurance

- 32.1 The Administering Organisation shall effect and maintain adequate insurance or similar coverage to cover any liability arising as a result of its participation in *Linkage Infrastructure, Equipment and Facilities* Projects and, if requested, provide the Commonwealth with a copy of the relevant policies or when appropriate Certificate of Currency. 33.5 Any amount notified to the Administering Organisation as payable under clause 33.4(c) is a debt due to the ARC (without further proof of the debt being necessary), payable within 30 days of the date of the notice.

SCHEDULE A

SCHEDULE B

Research Special Conditions

- B1 *Importation of Experimental Organisms:* The Administering Organisation must ensure that, before experimental organisms are imported into Australia for the purposes of a Project, they or the Chief Investigator of the Project must obtain agreement in principle for the importation from the appropriate Commonwealth and State authorities.
- B2 *Research Involving Humans or Animals:* If any Project conducted by the Administering Organisation involves research on or involving humans or animals, the Administering Organisation shall ensure that the codes adopted for these purposes by the National Health and Medical Research Council are complied with and that the Project may not commence without clearance from the Administering Organisation's Ethics or Biosafety Committee (or equivalent) and from any other relevant authority outside of the Administering Organisation.
- B3 *Deposition of Biological Materials:* Any biological material accumulated during the course of a Project shall be transferred to an Australian body with statutory responsibility for control of such material. If no such body is available to take control of the biological material then the Administering Organisation shall dispose of the material in accordance with the Administering Organisation's established safeguards.
- B4 *Genetic Manipulation:* If a Project involves the preparation and/or use of recombinant nucleic acids constructed *in vitro* from sources that do not ordinarily recombine genetic information, approval in writing by the Administering Organisation's Biosafety Committee (or equivalent) or the Genetic Manipulation Advisory Committee (GMAC) must be obtained.
- B5 *Recombinant DNA techniques:* If a Project involves, or is concerned with the use of, recombinant DNA techniques, the Administering Organisation shall ensure that the principles and guidelines established and approved from time to time by the Australian Government's Recombinant DNA Monitoring Committee are observed.
- B6 *Recombinant DNA techniques on animals or humans:* If a Project involves or concerns the use of recombinant DNA techniques on animals or humans then, before the proposed research commences, the Administering Organisation shall ensure that the research has been approved by the relevant Ethics or Biosafety Committee (or equivalent) of the Administering Organisation. The Administering Organisation shall retain all Certificates relating to the above and will provide such evidence to the Executive Director if required to do so.
- B7 *Ionising Radiation:* If a Project involves the use of ionising radiation, the Administering Organisation shall ensure that any personnel performing procedures involving ionising radiation are appropriately trained and hold a relevant current licence from the appropriate State authority. The Administering Organisation shall retain all such licences and shall provide them to the Scheme Coordinator if required to do so.
- B8 *Social Science Data Sets:* Any digital data arising from a Project involving research relating to the social sciences should be lodged with the Australian Social Science Data Archive (ASSDA) for secondary use by other investigators. This should normally be done within two years of the conclusion of any fieldwork relating to the Project research. If a Chief Investigator is not intending to do so within the two-year period, he or she should include the reasons in the Project's Final Report.
