If the Administering Organisation makes a taxable supply to the Commonwealth under this Agreement, the Commonwealth, on receipt of a tax invoice from the Administering Organisation or the issuing of a Recipient Created Tax Invoice by the Commonwealth, will pay without setoff an additional amount to the Administering Organisation equal to the GST imposed on the supply in question. In all cases, the minimum requirements for the Partner Organisation Contribution as set out in this Agreement and the Funding Rules continue to apply.

- 10.6 The Administering Organisation must ensure the Commonwealth and each Partner Organisation is provided with timely notice of progress made on the Project.
- 10.7 Once the written partner agreement for a Project has been entered into by all participating Partner Organisations and the Administering Organisation, the Administering Organisation must provide to the ARC the 'Partner Organisation Agreed Contribution Report', on the relevant form made available by the ARC.
- 10.8 If a written agreement between a Partner Organisation and the Administering Organisation is revised in accordance with this Agreement to change the level of Partner Organisation Contribution, the Administering Organisation must provide to the ARC a revised 'Partner Organisation Agreed Contribution Report', in the form available on the ARC Web Site.
- 10.9 The Administration Organisation will retain the written partner agreement, and make it available to the ARC upon request.

11. Default of Partner Organisation

- 11.1 If the Administering Organisation receives notice that a Partner Organisation wishes to withdraw its support for the Project, or reasonably believes that a Partner Organisation is in default of any of its obligations under a written partner agreement entered into between that Partner Organisation and the Administering Organisation under clause 10, the Administering Organisation must immediately notify the ARC, and may attempt to find a replacement Partner Organisation for the project or modify remaining Partner Organisation arrangements, in accordance with the procedure outlined in clause 11.2.
- 11.2 Should the Administering Organisation wish to proceed with a replacement Partner Organisation or modified Partner Organisation arrangements as allowed under clause 11.1, it must complete the procedure listed below within three months from the date of notification from the Partner Organisation or from the date on which the Administering Organisation became aware that the Partner Organisation is not meeting its obligations, whichever is the earlier. By the end of the three-month period referred to in this clause:
 - (a) the Administering Organisation must request, in writing, the ARC's approval of a replacement Partner Organisation or modified remaining Partner Organisation arrangements which comply with the requirements for Partner Organisations and Partner Organisation Contributions specified in this Agreement and the Funding Rules;
 - (b) the replacement or remaining Partner Organisations must provide a written undertaking to provide (in total) a replacement contribution equivalent to that which would have been provided by the Partner Organisation in default and which satisfies the requirements of this Agreement (including using the criteria set out in Schedule F) and the Funding Rules; and
 - (c) the Administering Organisation and the replacement Partner Organisation or remaining Partner Organisations must enter into a written partner agreement, or amend any existing agreement (as appropriate) consistent with clause 10 to reflect the revised Partner Organisation Contribution arrangements.
- 11.3 The ARC may approve a replacement Partner Organisation if the replacement Partner Organisation meets the eligibility criteria as specified in the Funding Rules.
- 11.4 If the ARC approves a replacement Partner Organisation or modified remaining Partner Organisation arrangements proposed under clause 11.2, the Administering Organisation

must within three months of the date of approval by the ARC provide to the ARC a revised 'Partner Organisation Agreed Contribution Report' report, on the relevant form made available by the ARC, reflecting the new approved arrangements.

- 11.5 To avoid doubt, the funding condition set out in clause 5.2(f) will not have been satisfied if:
- (a) the ARC does not approve any replacement Partner Organisation or the modified Partner Organisation arrangements proposed under clause 11.2; or
 - (b) the Administering Organisation does not attempt to find any replacement Partner Organisation or modify existing Partner Organisation Contribution arrangements in accordance with clause 11.2.

12. Commencement of Project: Final Date for Commencement and Partner Organisation Written Agreements

- 12.1 Subject to clause 13, the Project (including any APDI Fellowship or APAI element) must commence:
- (a) for Projects funded in Round 1 - by no later than 30 September 2009; and
 - (b) for Projects funded in Round 2 - by no later than 31 March 2010:

unless the commencement has been deferred to a later date approved by the ARC.

[Note: Pursuant to clause 7, the Administering Organisation must not allow a Project to commence, nor Funding to be expended, until it has entered into a written partner agreement with each Partner Organisation in accordance with clause 10. The Administering Organisation must reach agreement with each Partner Organisation and enter into a written partner agreement with each such organisation before the final date for commencement of the Project as determined in accordance with clauses 12 and 13.]

13. Deferral of Commencement of Project and/or Fellowship

- 13.1 If the Administering Organisation wishes to defer commencement of a Project (or an APDI Fellowship or APAI element of the Project) beyond the applicable commencement date specified in clause 12.1, a written request justifying the requested deferral in terms of special circumstances must be made to the Scheme Coordinator, through the Administering Organisation's Research Office, by submitting a "Variation of Funding Agreement" request, prior to the applicable commencement date specified in clause 12.1 for that Project.
- 13.2 The Administering Organisation must not defer commencement of the Project (or an APDI Fellowship or APAI element of the Project) beyond the applicable commencement date specified in clause 12.1 unless the Administering Organisation has received written approval from the ARC.
- 13.3 Other than in exceptional circumstances, the ARC will not approve the commencement of a Project (or an APDI Fellowship or APAI element of the Project) beyond the applicable commencement date specified in clause 12.1. The ARC may recover funding for any Project which has not commenced by the applicable commencement date specified in clause 12.1.
- 13.4 If an APDI Fellow is one of several Specified Personnel on a Project and the Administering Organisation wishes to commence the Project before the Fellow can commence on the Project, and the delayed commencement of the Fellow has not been specified in the Approved Proposal for the Project, approval must be obtained from the ARC for:

- (a) the Project to commence before the APDI Fellow commences work on the Project; and
 - (b) the date of commencement of the APDI Fellow.
- 13.5 If the ARC does not consider a Project viable without an APDI Fellow's contribution to the Project and the Fellow cannot commence performing the Project by the applicable commencement date for the Project, or by such later date approved by the ARC under clause 13.4(b), the Project will be terminated. A Fellowship may be used to fund only the person to whom the Fellowship is awarded.
- 13.6 If the ARC considers that a Project is viable without an APDI Fellow's contribution and the Fellow is unable to commence her/his Fellowship by the applicable commencement date for the Project, or by such later date approved by the ARC under clause 13.4(b), the APDI Fellowship component of the Project will not be funded. Funding for a Fellowship may be used to fund only the person to whom the Fellowship is awarded. Fellowships are not transferable to other persons.

14. Suspension of Project

- 14.1 If any of the Specified Personnel on a Project is not able to perform the Project for a period or periods of time the Project may be suspended for a period or periods totalling up to 12 months. The duration of a Project may be extended for a period equal to the duration of the approved suspension(s). The Funds for the Project which would otherwise have been payable during the suspension period(s) will continue to be paid to the Administering Organisation during the suspension period(s) and the ARC will not supplement the Funds to cover any additional costs incurred as a result of the suspension or delay in finalisation of the Project.
- 14.2 If a proposed suspension is to commence after the first 12 months of the Project and is for 6 months or less, the Administering Organisation may, at its discretion, approve the suspension. The Administering Organisation must notify the ARC of the suspension in its next Progress or Final Report for the Project.
- 14.3 If the proposed suspension is to commence within the first 12 months of the Project or is for more than six months, the Responsible Officer must apply to the Scheme Coordinator to seek the ARC's approval of the suspension prior to the commencement of the suspension. The ARC may approve such suspensions only if detailed written justification for the request is provided. The approval of a suspension is at the ARC's absolute discretion. If approved, the Administering Organisation must detail the suspension in its next Progress or Final Report for the Project.
- 14.4 Subject to clause 14.2, a suspension for any other purpose or under any other circumstance without the prior written approval of the ARC may result in the termination and/or recovery of Funding for the Project.

[See Schedule D, item D9 for information regarding suspension of APAIs and Schedule E, item E6 for suspension of APDI Fellowships].

15. Specified Personnel

- 15.1 The Administering Organisation shall ensure that the Specified Personnel conduct the Project in a diligent and competent manner and will comply with this Agreement.
- 15.2 The Administering Organisation shall provide each Chief Investigator, Partner Investigator, APDI and Linkage Industry Fellow performing a Project with a copy of this Agreement within a reasonable time after the commencement of the Funding.

- 15.3 The Administering Organisation warrants that it has made proper inquiries of the Specified Personnel in relation to their eligibility pursuant to the Funding Rules and their ability to perform the Project.
- 15.4 The Administering Organisation must ensure that each of the Specified Personnel who is to perform any Project has the approval of her/his employing organisation to participate in the Project.

16. Change of Specified Personnel

- 16.1 If a Chief Investigator or Partner Investigator is at any time during the term of a Project no longer able to continue working on the Project, the Project may be continued under one or more other Chief Investigator or Partner Investigator provided that:
- (a) there is at least one Chief Investigator or APDI Fellow performing the Project;
 - (b) all replacement or additional Chief Investigators or Partner Investigators meet the eligibility criteria, as specified in the Funding Rules for the particular role they are to perform, for the period for which they are perform that role;
 - (c) approval is sought from the Scheme Coordinator for the change in Specified Personnel:
 - i. in writing (including with the request a copy of the proposed replacement Personnel's curriculum vitae); and
 - ii. within three months of the date that the Specified Personnel cease working on the Project;
 - (d) if additional or replacement Chief Investigators or Partner Investigators ("New Personnel") are proposed for a Project, the Administering Organisation must obtain certifications from the New Personnel and their employers which have similar effect to those required to be obtained for the other Specified Personnel on the Project; and
 - (e) the change is approved, in writing, by the Minister if the person being replaced is the 'Project Leader', or the ARC in all other cases.
- 16.2 If an APDI Fellow is no longer able to continue performing a Project, the APDI Fellowship element for that person will be terminated. A Fellowship element cannot be transferred to another person. In such cases, other than where the APDI Fellow is the only Specified Personnel, if approved by the ARC, any unspent Funding for the Fellowship element of the Project may be used for the Project for other purposes providing it is in accordance with the 'Project Description' included in the Approved Proposal. If the APDI Fellow is the only Specified Personnel on a Project, the funding condition set out in clause 5.2(b) will not have been satisfied.
- 16.3 If the ARC considers that a Project is not viable without an APDI Fellow's contribution to the Project, and/or the Funding for a Project decreases to below \$20,000 per annum, funding for the Project may be terminated.
- 16.4 If a Fellow is the only Specified Personnel on a Project, and her/his involvement with the Project is to cease or be reduced significantly, Funding for the Project will be terminated.
- 16.5 If a Linkage Industry Fellow is no longer able to continue the Project and the temporary transfer period associated with the LIF has not commenced, or not completed, the LIF component will be terminated. A LIF component cannot be transferred to another person. Any unspent Funding for the LIF component may not be used to fund other activities or other work on the Project and must be refunded to the ARC.

- 17.1 The Administering Organisation must promptly notify the ARC of any Specified Personnel on a Project who moves to an Eligible Organisation other than the Administering Organisation at any time during the funding period for that Project.
- 17.2 If the transferring Specified Personnel is the Project Leader, then the Administering Organisation may seek the Minister's approval for the transfer of the Project to a new Eligible Organisation, by submitting a "Variation of Funding Agreement" request outlining arrangements for the continuation of the Project and the continued administration of the funding.
- 17.3 If the proposed arrangements include a transfer of the Funding from the Administering Organisation to another Eligible Organisation ('the recipient Eligible Organisation'), the Minister shall have regard to the circumstances surrounding the proposed transfer and may approve the transfer subject to such conditions as the Minister considers appropriate. The request must provide evidence that:
- (a) the following parties agree to the transfer:
 - i. the Administering Organisation;
 - ii. the Partner Organisation(s); and
 - iii. the recipient Eligible Organisation;
 - (b) the recipient Eligible Organisation and the Project's Partner Organisation will enter into a written partner agreement of the type set out in clause 10 above.
- 17.4 When the ARC receives a request for the transfer of Funding, it may seek the Minister's approval for the transfer of unspent Funds and indicative Funding for the Project and any Assets as outlined in clause 23 to the recipient Eligible Organisation.
- 17.5 If Ministerial approval is granted in such circumstances to transfer the Funding (and any Assets);
- (a) the Administering Organisation must:
 - i. agree to any variation or termination (as applicable) of this Agreement proposed by the ARC to give effect to the changed Funding arrangements;
 - ii. provide to the ARC, in writing, the amount of all unspent Funds for the Project and pay the ARC such unspent Funds. The ARC may then provide the unspent Funds to the recipient Eligible Organisation;

 - iii. enter into a written partner agreement with the Project's Partner Organisation(s) of the type set out in clause 10 above.
- 17.6 If approved by the ARC, relocation expenses may be paid in accordance with Schedules B, D and E for the cost of relocation for any APAI or APDI Fellow who is required to relocate residence in order to commence work on a Project.

- 17.7 If a Chief Investigator or Fellow changes organisation and the Minister's approval is not given for arrangements for the continuation of the Project and the continued administration of the Funding, the Project may be terminated and any unspent funds recovered by the ARC.
- 17.8 If funding for a project which was previously administered by another Eligible Organisation is to be transferred to the Administering Organisation, the Administering Organisation must ensure that the project which is being transferred and the Specified Personnel performing the project satisfy the eligibility and accountability requirements of the Funding Rules and terms and conditions of this Agreement.
- 17.9 Relocation expenses associated with the transfer of any Specified Personnel from another Eligible Organisation to the Administering Organisation will not be paid. Relocation costs will not be paid on the transfer of a Fellow from the Administering Organisation to the recipient Eligible Organisation after the final date for commencement in clause 12, or after the deferred commencement date approved in accordance with clause 13.
- 17.10 The Project or any equipment purchased with either the Funding or the Project's Partner Organisation Contribution (including any equipment which comprises the Partner Organisation Contribution) must not be transferred to the recipient Eligible Organisation until Ministerial approval for the transfer of the Funding is granted.

- 19.1 Projects (including APAI and Fellowship elements) must be conducted in accordance with any Special Conditions specified in this Agreement and with any other requirements or conditions imposed by the Minister in connection with any Funding covered by this Agreement.
- 19.2 The Administering Organisation must ensure that a Project under this Agreement will not proceed without appropriate ethical clearances from the relevant committees and/or authorities referred to in Schedule C or prescribed by the Administering Organisation's research rules. Responsibility for ensuring such clearances have been obtained remains with the Administering Organisation.
- 19.3 All parties involved in or associated with a Proposal and/or a Project are required to disclose to the ARC, and the other parties involved in the Proposal/Project (including the Partner Organisation(s)), affiliations with, or financial involvement in, any organisation which has, or is likely to have, a direct interest in the subject matter or outputs of the Project. Such parties are required to disclose to the ARC at the time of submission of the Proposal, and in reporting on a Project, any conflict of interest which has the potential to influence, or appear to influence, the research and activities, publications and media reports, or requests for funding related to the Proposal/Project.
- 19.4 If the Administering Organisation or any Specified Personnel become aware of any such actual or potential conflict of interest relating to any party involved in a Project, the Administering Organisation must

- (a) notify the ARC immediately of the nature and details of the conflict of interest; and
 - (b) have established processes in place for managing the (actual or potential) conflict of interest for the duration of the project. Such processes must comply with the NHMRC/ARC/UA *Australian Code for the Responsible Conduct of Research Practice* (2007).
- 19.5 If the Administering Organisation or any Specified Personnel has failed to disclose a conflict of interest, the Commonwealth may do any of the things provided for in clause 5.3 (a), (b) or (c).
- 19.6 Each Project must, unless otherwise approved by the ARC in writing, conform to the principles outlined in the following and their successor documents:
- (a) the Joint NHMRC/ARC/UA *Australian Code for the Responsible Conduct of Research* (2007);

20. Conduct of Elements of Projects - Identification of APAI, APDI and LIF

- 20.1 If a Project has an APAI element, the number of awards to be made to APAI Postgraduate Research Students as part of the Project, and the stipends payable for the APAI students, appear in Schedule A. The Administering Organisation must conduct Projects involving APAIs in accordance with the Special Conditions for APAIs specified in Schedule D. The Special Conditions for APAIs form part of this Agreement.
- 20.2 If a Project has an APDI element, the names of the persons awarded the APDI Fellowships and the salary plus on-costs appears in Schedule A. The Administering Organisation must conduct Projects involving APDIs in accordance with the Special Conditions for APDIs at Schedule E. The Special Conditions for APDIs form part of this Agreement.

21.3 The Administering Organisation shall consider the benefits of depositing the data and any publications arising from each Project in an appropriate subject and/or institutional repository wherever such a repository is available. If the Administering Organisation is not intending to deposit the data from a Project in a repository either before, or within six months after, the completion of the Project the reasons for not doing so must be detailed in the Project's Final Report. Any research outputs that have been or will be deposited in appropriate repositories should be identified in the Final Report.

21.4 This clause survives the expiration or earlier termination of this Agreement.

22. ARC Assessments

22.1 The Administering Organisation must ensure that, for the term of this Agreement, if requested by the ARC, Chief Investigators and Fellows agree to assess up to twenty new proposals for ARC funding per annum for each year of Funding.

22.2 If the ARC determines that a Chief Investigator and/or Fellow has failed to meet the obligation to assess proposals assigned by the ARC for assessment, the ARC may notify the Administering Organisation in writing of that failure.

22.3 If a Chief Investigator and/or Fellow does not undertake assessment of the assigned proposals within a period specified by the ARC of the notice referred to in clause 22.2, the Administering Organisation will be considered to be in breach of this Agreement and Funding for the relevant Projects (including Fellowships) on which the Chief Investigator and/or Fellow is listed as Specified Personnel under this Agreement may be terminated.

23.3 The Administering Organisation shall ensure that any Personnel shall have first priority in the use and operation of equipment purchased for the Project and the Administering Organisation must, so far as is practicable, permit persons authorised by the Minister or the ARC to have priority access to that equipment in preference to other persons.

23.4 Unless otherwise approved by the ARC, the ownership of any Asset purchased wholly or partly with the Funding shall be vested in the Administering Organisation, located on its campus and listed in its assets register unless:

- (a) otherwise specified in the Approved Proposal or provided for in Schedule A;

- (g) that is in the public domain other than due to a breach of this clause 26.

26.3 The Commonwealth warrants that, for a period of three years from the date of submission of the Final Report for the Project, it will consult with the Administering Organisation before any information which is contained in any reports related to the Project, and which the Administering Organisation has indicated is confidential and should not be disclosed, is disclosed to any person other than an officer, employee, agent or member of the ARC or the

Minister. If disclosure is required to other persons, the Commonwealth will discuss the intended terms of disclosure with the Administering Organisation.

If at any time, in the opinion of the Responsible Officer of the Administering Organisation, the Funding is not being expended in accordance with this Agreement, the Administering Organisation must take all action necessary to minimise further expenditure in relation to the Project and inform the ARC immediately.

- 30.2 The ARC may conduct ad hoc on-site reviews in relation to financial and other reports to ensure that the terms of this Agreement are being, or were met and that reports submitted to the ARC are an accurate statement of compliance by the Administering Organisation and are not misleading.  - (b) reasonable assistance to:
 - i. inspect the performance of any or all Projects;
 - ii. locate and inspect Material relevant to any Project or the Administering Organisation's compliance with this Agreement or the Scheme; and
 - iii. make copies of any such Material and remove those copies and use them for any purpose connected with this Agreement or the Scheme.
- 31.2 The access rights in clause 31.1 are subject to:
- (a) any agreement to the contrary with a Partner Organisation which can be justified to the satisfaction of the ARC on the grounds of commercial sensitivity (including Intellectual Property considerations);
 - (b) the provision of reasonable prior notice by the ARC; and
 - (c) the Administering Organisation's reasonable security procedures.
- 31.3 If a matter is being investigated which, in the opinion of the CEO or the ARC, or any person authorised in writing by the CEO, may involve an actual or apprehended breach of the law, clause 31.2 will not apply.
- 31.4 Upon receipt of reasonable written notice from the CEO or the ARC, the Administering Organisation must provide any information required by the Commonwealth for monitoring and evaluation purposes.

- 31.5 Nothing in clauses 31.1 to 31.4 inclusive affects the obligation of each party to continue to perform its obligations under this Agreement unless otherwise agreed between them.
- 31.6 The Auditor-General, or a delegate of the Auditor-General for the purpose of performing the Auditor-General's statutory functions, at reasonable times and on giving reasonable notice to the Administering Organisation, may:
- (a) require the Administering Organisation to provide records and information which are directly related to this Agreement;
 - (b) have access to the premises of the Administering Organisation for the purposes of inspecting and copying documentation and records, however stored, in the custody or under the control of the Administering Organisation which are directly related to this Agreement; and
 - (c) where relevant, inspect any Commonwealth Assets and Commonwealth Material held on the premises of the Administering Organisation.
- 31.7 This clause shall survive the expiration or earlier termination of this Agreement.

32. Reporting Requirements

- 32.1 The Administering Organisation must submit the following reports and statement, in accordance with this Agreement and the Act, in the format required by the ARC, if specified.
- 32.2 End of Year Report
- (a) The Administering Organisation must submit an End of Year Report by 31 March in the year following each calendar year for which the Funding was awarded. The ARC will provide the Administering Organisation with a form for this report.
 - (b) As part of the End of Year Report, the Responsible Officer must certify for each Project what the Partner Organisation Contribution has been in relation to that Project. The Responsible Officer must also:
 - i. certify for each Project that the Partner Organisation Contribution has been provided in accordance with the written partner agreement entered into under clause 10, and that, to the best of her/his knowledge, the Partner Organisation does not intend to withdraw or reduce its contribution to the Project; or
 - ii. advise the ARC of any reduction or other anomalies in relation to the Partner Organisation Contribution for a Project.
 - (c) The End of Year Report will contain information on all expenditure for that year under the Approved Proposal, on a Project-by-Project basis, including:
 - i. any unspent Funds to be recovered by the Commonwealth;
 - ii. any unspent Funds that the Administering Organisation is seeking to have carried over into the next year;
 - iii. the reasons why the unspent Funds are required to be carried over; and
 - iv. claims which have been made for relocation and these expenses, if any, as provided for in Schedules D and E.
 - (d) Under paragraph 58(1)(e) of the Act, Funds provided by the Commonwealth to the Administering Organisation which are not spent during the year of the Funding period to which those funds were allocated may be carried over if approved by the Minister. If the Administering Organisation wishes any Funds to be carried over from one year to the next year, the Administering Organisation

must request this approval in the End of Year Report for the calendar year for which those Funds were initially paid.

- (e) If a carry over is requested for 75% or more of the Funds allocated for a calendar year (excluding any Funds carried over from the previous calendar year), written justification must be provided.
- (f) Funds may be carried over more than twelve months only in exceptional circumstances and subject to approval by the Minister. Written justification must be provided in this instance.

32.3 Progress Report

- (a) Unless otherwise approved by the ARC, the Administering Organisation must ensure that Project Leaders provide Progress Reports in respect of each ongoing Project by 31 January of each year, except in the first year of funding, on a form which will be made available by the ARC. For the purposes of clarification, the initial Progress Report is due as follows:
 - i. for Projects funded in Round 1 – by 31 January 2010; and
 - ii. for Projects funded in Round 2 – by 31 January 2011.
- (b) The ARC may review the outcomes reported against the objectives of the Project as stated in the Approved Proposal, or any approved revised budget, aims and research plan. Any Chief Investigator or Fellow who was involved in a Project for which a Progress Report was deemed inadequate or unsatisfactory may be contacted for further information.
- (c) If the ARC is not satisfied with the progress of any Project, further payment of Funds will not be made until satisfactory progress has been made on the Project. If satisfactory progress is still not achieved within a reasonable period of time, the Funding may be terminated and all outstanding monies will be recovered by the ARC.
- (d) Unsatisfactory progress on any Project may be noted against any further proposals under any ARC scheme submitted by, or on behalf of, the Chief Investigators and/or Fellows and may be taken into account in the assessment of those proposals.

32.4 Final Report

- (a) Unless otherwise approved by the ARC, the Administering Organisation must ensure that Final Reports are provided for each Project within six months of the final payment of Funds by the ARC for the Project or within six months of the final carry over of Funds approved by the ARC, whichever is the later. The form for this report will be made available by the ARC. The ARC may review the outcomes against the objective(s) of the Project as stated in the Approved Proposal or any approved revised budget, aims and research plan.
- (b) If a Final Report is considered by the ARC to be inadequate, the Chief Investigators and Fellows who were involved in the Project may be contacted for further information. If the ARC is not satisfied with the outcomes of the Project, this may be noted against any further proposals under any ARC scheme submitted by, or on behalf of, the Chief Investigators and Fellows and may be taken into account in the assessment of those proposals.
- (c) If the Final Report is not submitted on time, this may be noted against any further proposals under any ARC scheme submitted by, or on behalf of, the Chief Investigators and Fellows and may be taken into account in the assessment of those proposals.

- (d) Proposals submitted under any ARC scheme by, or on behalf of, any Chief Investigator or Fellow on a Project for which the Final Report is outstanding may be deemed ineligible for approval or funding.

32.5 Audited Financial Statement

- (a) In accordance with section 58 of the Act, the Administering Organisation must submit an Audited Financial Statement by 30 June for each year following each calendar year for which the Funding was awarded.
- (b) In completing the Audited Financial Statement, the Administering Organisation must ensure that the amount shown in that statement as 'approved carry forward funds' is the same as the amount (if any) for which approval was given by the ARC to carry over in the End of Year Report.

32.6 This clause 32 survives the expiration or earlier termination of this Agreement.

33. Copyright in Proposals and Reports

33.1 Copyright in any Proposal and all reports provided under this Agreement will vest in the Administering Organisation at the time of creation but the Administering Organisation grants to the Commonwealth a permanent, irrevocable, royalty-free, non-exclusive licence to use and reproduce information contained in a Proposal or a report and publish it on a non-profit basis for any purpose related to:

- (a) the evaluation and assessment of proposals;
- (b) verifying the accuracy, consistency and adequacy of information contained in a Proposal, or otherwise provided to the ARC;
- (c) the preparation and management of any funding agreement;
- (d) the administration, auditing, management or evaluation of the National Competitive Grants Program or any funding scheme administered by the ARC; or
- (e) the sharing of information by the ARC within the ARC's organisation, or with another Commonwealth Department or agency, or Commonwealth Minister or parliamentary committee, where this serves the Commonwealth's legitimate interests;

or where the use, reproduction or publication of the material is authorised or required by law.

33.2 If a Proposal or a report contains information belonging to a third party, the Administering Organisation must ensure that it has in place all necessary consents sufficient to allow the ARC to deal with the information or any report in accordance with this Agreement.

33.3 This clause survives the expiration or earlier termination of this Agreement.

34. Recovery of Unspent Funds or Overpayments of Funds

34.1 Any unspent Funds may be recovered by the Commonwealth under paragraph 58(1)(c) of the Act. Any amount of funding paid to the Administering Organisation which exceeds the amount of financial assistance that is properly payable to it may be recovered under paragraph 58(1)(d) of the Act.

34.2 The Commonwealth may offset the unspent or overpaid Funds against the total of any further Funds payable to the Administering Organisation.

34.3 This clause survives the expiration or earlier termination of this Agreement.

35. Indemnity

35.1 The Administering Organisation, if it is not a Commonwealth entity which is contracting

on behalf of the Commonwealth, must at all times indemnify the Commonwealth, its officers, employees and agents (in this clause referred to as 'those indemnified') from and against any loss (including legal costs and expenses on a solicitor/own client basis) or liability, reasonably incurred or suffered by any of those indemnified arising from any claim, suit, demand, action or proceeding by any person against any of those indemnified where such loss or liability was caused by a wilful, unlawful or negligent act or omission of the Administering Organisation, its employees, agents or subcontractors in connection with this Agreement.

- 35.2 The Administering Organisation's liability to indemnify the Commonwealth under clause 35.1 shall be reduced proportionally to the extent that any act or omission of the Commonwealth or its employees or agents contributed to the loss or liability.
- 35.3 The indemnity referred to above shall survive the expiration or termination of this Agreement.

36. Insurance

- 36.1 The Administering Organisation must effect and maintain adequate insurance or similar coverage to cover any liability arising as a result of its participation in Linkage Projects and, if requested, provide the Commonwealth with a copy of the relevant policies or when appropriate Certificate of Currency. The Administering Organisation shall be responsible for effecting all insurances required under Worker's Compensation legislation and for taking all other action required as an employer.

37. Termination of the Agreement

Termination of Funding for a Project

- 37.1 The ARC may immediately terminate Funding for a Project by notice in writing to the Administering Organisation if:
- (a) the ARC reasonably believes that any one or more of the funding conditions specified in clause 5.2 has/have not been satisfied in relation to that Project;
 - (b) the ARC reasonably believes that it has received inaccurate, incomplete or misleading information in relation to that Project, including in the Proposal or in any report provided under this Agreement;
 - (c) the Administering Organisation fails to comply as soon as possible with any additional Ministerial requirement or condition notified by the ARC under clause 3.2; or

 - (b) the Administering Organisation must provide the reports required by this Agreement (or as otherwise notified by the ARC), within the timeframes specified in this Agreement (or as otherwise notified by the ARC); and
 - (c) the ARC may recover all or any Funding for the Project in accordance with clause 5.3.

Termination of Agreement

- 37.3 The ARC may immediately terminate this Agreement by notice in writing to the Administering Organisation if:
- (a) the ARC reasonably considers there is fraud, misleading or deceptive conduct on the part of the Administering Organisation or any Specified Personnel or a Partner

- Organisation in connection with any Project;
- (b) the Administering Organisation fails to comply as soon as possible with any Ministerial requirement or condition notified by the ARC under clause 3.2;
 - (c) the Administering Organisation commits any breach of this Agreement that the ARC, acting reasonably, considers is capable of remedy, and has failed to rectify that breach within 30 days of receiving an earlier notice from the ARC requiring the breach to be remedied; or
 - (d) the Administering Organisation commits any material breach of this Agreement which the ARC, acting reasonably, considers is not capable of remedy.
- 37.4 If the ARC terminates this Agreement under clause 37.3:
- (a) the Administering Organisation must immediately take all available and reasonable steps to stop any further expenditure of Funding on all Projects;
 - (b) the Administering Organisation must provide all reports required by this Agreement (or as otherwise notified by the ARC), within the timeframes specified in this Agreement (or as otherwise notified by the ARC); and
 - (c) the ARC will immediately stop payment of all Funding under this Agreement and may recover from the Administering Organisation (by notice in writing) any unspent Funds as at the date of termination and any Funds not spent in accordance with this Agreement.
- 37.5 Any amount notified to the Administering Organisation as payable under clause 37.4(c) is a debt due to the ARC (without further proof of the debt being necessary), payable within 30 days of the date of the notice.
- 37.6 Subject to clause 23.4, after the expiration or termination of this Agreement the Administering Organisation retains ownership of all Assets purchased using the Funds.

38. Compliance with Law

- 38.1 The Administering Organisation shall in carrying out this Agreement comply with the provisions of any relevant statutes, regulations, by-laws, and requirements of any Commonwealth, State, Territory or local authority.
- 38.2 The Administering Organisation acknowledges that:
- (a) Chapter 7 of the *Criminal Code* provides for offences which attract substantial penalties, including theft of Commonwealth property and other property offences, obtaining property or financial advantage by deception, offences involving fraudulent conduct, bribery, forgery and falsification of documents;
 - (b) it is aware that giving false or misleading information is a serious offence under the *Criminal Code*;
 - (c) the publication or communication of any fact or document by a person which has come to her/his knowledge or into her/his possession or custody by virtue of the performance of this Agreement (other than a person to whom the Administering Organisation is authorised to publish or disclose that fact or document) may be an offence under section 70 of the *Crimes Act 1914*, punishment for which may be a maximum of two years imprisonment;
 - (d) in respect of data, including personal information, held in connection with this Agreement, any unauthorised and intentional access, destruction, alteration, addition or impediment to access or usefulness of the data stored in any computer in the course of performing this Agreement is an offence under Part 10.7 of the *Criminal Code* which may attract a substantial penalty, including imprisonment;

- (g) it may have obligations under the *Equal Opportunity for Women in the Workplace Act 1999* and it must comply with those obligations.

38.3 The Administering Organisation undertakes with respect to any officer, employee, agent or subcontractor who will have access to documents, materials or information within the meaning of section 79 of the *Crimes Act 1914* that prior to having access the officer, employee, agent and subcontractor will first be required by the Administering Organisation to provide the Administering Organisation with an acknowledgment that the officer, employee, agent or subcontractor is aware of the provisions of the section.

Research special conditions

- C1. *Importation of Experimental Organisms:* The Administering Organisation must ensure that, before experimental organisms are imported into Australia for the purposes of a Project, the Administering Organisation or the Chief Investigator of the Project must obtain agreement in principle for the importation from the appropriate Commonwealth and State authorities.
- C2. *Research Involving Humans or other Animals:* If any Project conducted by the Administering Organisation involves research on, or involving humans or other animals, the Administering Organisation must ensure that the codes adopted for these purposes by the National Health and Medical Research Council are complied with and that the Project may not commence without clearance from the Administering Organisation's Ethics or Biosafety Committee (or equivalent) and from any other relevant authority.
- C3. *Deposition of Biological Materials:* Any biological material accumulated during the course of a Project shall be transferred to an Australian body with statutory responsibility for control of such material. If no such body is available to take control of the biological material then the Administering Organisation must dispose of the material in accordance with the Administering Organisation's established safeguards.
- C4. *Genetic Manipulation:* If a Project involves the use of gene technology (as defined in the Gene Technology Act 2000), then before the proposed research commences, the Administering Organisation must ensure that the research has been approved in writing by the relevant Biosafety and/or Ethics Committees (or equivalent) of the Administering Organisation. The Administering Organisation must retain all certificates relating to the above and will provide evidence to the Scheme Coordinator if required to do so. The Administering Organisation must be accredited with the Office of the Gene Technology Regulator.
- C5. *Ionising Radiation:* If a Project involves the use of ionising radiation, the Administering Organisation shall ensure that any personnel performing procedures involving ionising radiation are appropriately trained and hold a relevant current licence from the appropriate State authority. - C6. *Social Science Data Sets:* Any digital data arising from a Project involving research relating to the social sciences should be lodged with the Australian Social Science Data Archive (ASSDA) for secondary use by other investigators. If a Chief Investigator is not intending to do so within the two-year period, he/she should include the reasons in the Project's Final Report.

SCHEDULE D

Special Conditions Applicable for Projects with an Australian Postgraduate Award Industry (APAI) Element

D1. Funding for APAIs

- D1.1 The ARC may provide funding for Australian Postgraduate Awards (Industry) (APAI) for postgraduate research students studying towards a Masters or PhD award. APAI funding is provided on the basis that the student undertakes full-time study. If a Project has an APAI element, the number of the APAIs funded and the funding for the stipends for each Project appears in Schedule A.
- D1.2 APAIs can be sought for up to three years. If the award is based on enrolment for a Masters degree, the ARC will allocate up to two years stipend only. If the award is based on enrolment for a PhD degree the ARC will allocate up to three years stipend, with a possible six-month extension. For a successful APAI request, the Commonwealth will pay the Administering Organisation:
- (a) an amount equal to the APAI stipend each year as specified in Schedule B; and
 - (b) a further contribution towards relocation and thesis expenses, as outlined in items D2 and D3 below respectively. These expenses should be claimed by the Administering Organisation through the submission of a “Variation of Funding Agreement”.

D2. Relocation allowance

- D2.1 If an APAI Postgraduate Research Student relocates residence in order to commence her/his position, or for an approved transfer, the Administering Organisation may make reimbursement payments to the student, including dependants, up to the maximum amount specified in item 4.1 of Schedule B for relocation costs, providing that the student has provided evidence of the expenditure on relocation costs to the Administering Organisation within six months of the expenditure being incurred. The Administering Organisation may make a claim for reimbursement of such payments through the submission of a “Variation of Funding Agreement” request within 12 months of the date of the expenditure by the APAI Postgraduate Research Student.
- D2.2 The Administering Organisation must ensure that travel expenses, where payable, do not exceed the cost of the cheapest direct airfare (or concession rate if applicable) for the APAI Postgraduate Research Student and their dependants. If an APAI Postgraduate Research Student elects to travel by car, the Commonwealth will provide a mileage allowance up to the maximum equivalent of the cheapest direct airfare. The ARC will reimburse up to a maximum of \$6,000 for all relocation costs associated with an APAI Postgraduate Research Student and her/his dependants.
- D2.3 The APAI Postgraduate Research Student is not entitled to, and the Administering Organisation is not entitled to, reimbursement of costs for the APAI Postgraduate Research Student’s return to her/his place of origin.
- D2.4 For the purposes of claims for relocation entitlements, a dependant is defined as a person who moves residence with the APAI Postgraduate Research Student. A partner who transfers employment and residence to the location where the APAI Postgraduate Research Student is to be based can be regarded as a dependant. A child continuing to study elsewhere and not intending to live predominantly with the APAI Postgraduate Research Student is not regarded as a dependant.

D3. Thesis allowance

D3.1 The ARC may provide funding for reimbursement payments to an APAI Postgraduate Research Student, up to the maximum applicable amount specified in item 4.2 of Schedule B, for the production of her/his PhD or Master's thesis, provided that the student provides to the Administering Organisation evidence of her/his expenditure on the production of the thesis. The Administering Organisation may make a claim for reimbursement of such payments from the ARC within 12 months of the completion of the thesis.

D4. Selection of APAI Postgraduate Research Students

D4.1 The Administering Organisation must appoint an APAI Postgraduate Research Student for the Project who:

- (a) is enrolled in a full-time postgraduate research degree at an Eligible Organisation;
- (b) has an appropriate Honours 1 or high 2A (or equivalent) undergraduate degree;
- (c) is not receiving similar funding or stipend from a Commonwealth Government program;
- (d) has not already completed a degree at the same level as the proposed APAI candidature or at a higher level in the same field of endeavour; and
- (e) has not previously held an Australian Postgraduate Award or APAI unless it was terminated within the first six months of the earlier award.

D4.2 Where an Approved Proposal nominated a particular student, the Administering Organisation may appoint the student provided the student satisfies the selection criteria in D4.1 above.

D4.3 The Administering Organisation may relax D4.1(c) above if a candidate has developed considerable research expertise in industry, e.g. graduates with some years of relevant work experience such as research personnel from industry who wish to upgrade their research skills.

D4.4 The Administering Organisation shall select an APAI Postgraduate Research Student for the Project based on merit, unaffected by the candidate's personal financial circumstances or care responsibilities and in accordance with the rules of the Administering Organisation and items D4.1 to D4.3 inclusive.

D4.5 The Administering Organisation may approve a reduction in the period of the postgraduate course to take account of study previously undertaken towards the APAI Postgraduate Research Student's degree. If the period is reduced, the ARC funding for the APAI will be reduced commensurate with the reduction in period. Reduction of ARC funding should be advised to the ARC by the Administering Organisation through the submission of a "Variation of Funding Agreement" request.

D5. Commencement of APAI Postgraduate Research Students

D5.1 All students who are commencing a Higher Degree by Research (HDR) course and have been awarded an APAI must be given priority when Administering Organisations allocate places under the Research Training Scheme (RTS). This ensures that, where possible, APAI holders will be granted a HECS exemption for the tenure of their

award.

- D5.2 If an Administering Organisation is unable to support an APAI Postgraduate Research Student, for example due to insufficient places being available or where the Administering Organisations does not participate in the RTS, the APAI holder may be enrolled in a fee-paying course for which, where possible, it would be expected that the tuition fees would be waived by the Administering Organisation.
- D5.3 Unless otherwise approved by the ARC in writing, APAI Postgraduate Research Students must commence work on their Project in accordance with clauses 12 and 13 of this Agreement.

D6. Partner Organisation Contribution

- D6.1 In addition to the requirements of clause 10, the Administering Organisation must specifically ensure that the Partner Organisation contributes at least \$12,000 (in cash and/or in-kind) per annum (or such larger amount as set out in the Approved Proposal) for each APAI Postgraduate Research Student approved for the Project. (Note: If a Proposal for a Project sought on average less than \$50,000 per year from the Commonwealth a minimum of \$6,000 cash is to be contributed per APAI student per year for each year the student is to receive a stipend). If the APAI element involves study towards a PhD award and it is extended beyond the normal three years, the Administering Organisation need not require the Partner Organisation to provide a cash or in-kind contribution for the APAI Postgraduate Research Student beyond the normal three years duration.

D7. Use of the Funding - Provision of Stipend for APAI Postgraduate Research Students

- D7.1 The Administering Organisation shall pay to each APAI Postgraduate Research Student a stipend equivalent to the applicable amount set out in Schedule B.
- D7.2 The stipend for an APAI Postgraduate Research Student may be payable for a maximum period of three years for a PhD award or two years for a Masters award (unless otherwise listed as a Special Condition in Schedule A) subject to item D7.4 below.
- D7.3 Subject to any reduction in the period of the postgraduate course as provided for in item D4.5 above, the Administering Organisation must provide each full-time APAI Postgraduate Research Student with at least the annual indexed stipend from the Funding. This does not preclude the Administering Organisation from supplementing the stipend from other sources. However, the Partner Organisation Cash Contribution must not be used to supplement the stipend unless it was provided for in the Approved Proposal for the Project. If the period of the postgraduate course has been reduced under Item D4.5 the annual indexed stipend is to be reduced proportionately. Reduction of ARC funding should be advised to the ARC by the Administering Organisation through the submission of a "Variation of Funding Agreement".
- D7.4 The ARC may approve an extension of up to six months of the APAI element for a three-year PhD degree, if that student has formally applied for an extension and the Administering Organisation is satisfied that the grounds for the extension are reasonable. If an extension is approved, the ARC will provide additional funding to the Administering Organisation to cover the extension period (as a proportion of the

applicable annual stipend based on the length of the extension). This additional funding must be sought by the Administering Organisation through the Administering Organisation's Research Office, by submitting a "Variation of Funding Agreement" request. Extensions are not available for Masters students and they are not available for Projects of less than three years.

D7.5 The amount of Funding available for the APAI element of a Project includes the amount specified in D7.1 above, together with the amounts payable under D8 below.

D8. Employment, Leave and Other Conditions relating to APAI Postgraduate Research Students

D8.1 The Administering Organisation must ensure that APAI Postgraduate Research Students do not engage in any paid employment which contravenes the rules of the Administering Organisation and the wishes of the Partner Organisation. Neither the Administering Organisation nor the Partner Organisation will require an APAI Postgraduate Research Student to undertake paid employment.

D8.2 The Administering Organisation may provide an APAI Postgraduate Research Student with sick, recreation and maternity leave in accordance with the usual practice of the Administering Organisation for students on similar awards. The Commonwealth will not provide additional funds to cover accrued leave proposed to be taken after the APAI period has expired or terminated. APAI Postgraduate Research Students should therefore take recreation leave or other leave during the period of the APAI tenure.

D8.3 The Administering Organisation may allow an APAI Postgraduate Research Student to undertake research in the Partner Organisation's facilities as part of the Project. During such periods, the Administering Organisation shall continue to be responsible for payment of the APAI Postgraduate Research Student's stipend, approval of the APAI Postgraduate Research Student's leave (if any) and supervision of the progress of research, although supervision by the Partner Organisation is also expected.

D8.4 Provided the Partner Organisation is in agreement, the Administering Organisation may approve a part-time award where the APAI Postgraduate Research Student is able to demonstrate heavy care commitments or a medical condition precluding full-time study, including:

- (a) care responsibilities for a pre-school child;
- (b) care responsibilities for school-aged children as a sole parent with limited access to outside support;
- (c) care responsibilities for an invalid or disabled spouse, child or parent; or
- (d) a medical condition which limits the capacity to undertake full-time study.

D8.5 However, part-time awards are not available to candidates seeking to undertake paid employment on a full-time or on a substantial part-time basis. Substantial part-time work is regarded as being more than the Administering Organisation would permit its full-time award holders to undertake without interfering with their study programs.

D8.6 The Administering Organisation will subject part-time APAI Postgraduate Research Students to the same restrictions on employment as full-time APAI Postgraduate Research Students.

- D8.7 The Administering Organisation shall inform the ARC by submitting a “Variation of Funding Agreement” request of any approvals for part-time APAI Postgraduate Research Students.
- D8.8 APAI Postgraduate Research Students approved to study part-time may revert to full-time study at any time.
- D8.9 A part-time APAI Postgraduate Research Student is expected to progress at half the rate of a full-time award holder and the Administering Organisation must pay them one half the normal full-time stipend.
- D8.10 Subject to items D8.1 and D8.2 the Administering Organisation may approve, in consultation with the Partner Organisation, an application by an APAI Postgraduate Research Student for overseas research for up to 12 months, and in special circumstances, up to eighteen 18 months. The prior approval of the ARC is required if the overseas research is to commence within six months of the starting date of the Project. The Administering Organisation may approve only overseas research which may be credited to the relevant Postgraduate Research Student's course of study.
- D8.11 The Administering Organisation shall ensure that eligible APAI Postgraduate Research Students are entitled to take up to 14 weeks’ paid maternity leave during the duration of their APAI award. Paid maternity leave may not be taken within the first 12 months of an APAI award; however, unpaid maternity leave may be accessed through the suspension provisions. The Commonwealth will provide up to 14 weeks’ additional funding for periods of paid maternity leave. The additional funding for this purpose is to be claimed by means of submission of a “Variation of Funding Agreement” request.
- D8.12 The Administering Organisation shall ensure that eligible APAI Postgraduate Research Students are entitled to take up to two weeks’ paid partner/parental leave at the time of birth or adoption to the parent who is not identified as the primary caregiver. The Commonwealth will provide up to two weeks’ additional funding for this purpose. The additional funding for this purpose is to be claimed by means of submission of a “Variation of Funding Agreement” request.

D9. Suspension of an APAI

- D9.1 An APAI Postgraduate Research Student may apply to the Administering Organisation with the consent of the Partner Organisation(s) for the Project for a suspension of their Award to enable them to gain work experience in industry or, in exceptional circumstances, for compassionate reasons.
- D9.2 If a proposed suspension is to commence after the first six months of the Project and is not proposed to be longer than 12 months, the Administering Organisation may, at its discretion and with the consent of the Partner Organisation(s), approve the suspension.
- D9.3 If the proposed suspension is to commence within the first six months of the Project or is to be of more than 12 months' duration, the Responsible Officer must apply to the Scheme Coordinator to seek the ARC’s approval of the suspension.
- D9.4 Suspensions of APAIs for purposes other than those specified in item D9.1, or which are for a period of over 12 months' duration, or which commences within the first six months of the Project, without the written approval of the ARC will be a breach of this Agreement and may result in the immediate termination of, and/or recovery of funding

for, the particular APAI Award.

D10. Change of APAI Postgraduate Research Student

- D10.1 If an APAI Postgraduate Research Student is no longer able to continue their Project within the first two years of the Project's commencement date, a new Postgraduate Research Student may be selected by the Administering Organisation and the Partner Organisation provided that the student meets the eligibility criteria as specified in this Agreement. The unspent APAI element funding provided for the initial APAI may be used for the replacement APAI Postgraduate Research Student. The ARC will not, however, supplement the Funds to cover any stipend funding in excess of that originally provided for the Project. The Administering Organisation will be responsible for any shortfall between the amount of monies provided by the Commonwealth and the amount required for the replacement Postgraduate Research Student to complete their degree.
- D10.2 The Administering Organisation must notify the ARC in writing of any changes to the type or duration of degree being undertaken by an APAI Postgraduate Research Student which will affect the amount or duration of Commonwealth funding.

D11. Reporting of Relinquished APAIs

- D11.1 If an APAI Postgraduate Research Student relinquishes their award, that fact must be reported through the Administering Organisation's Research Office, by submitting a "Variation of Funding Agreement" request.

D12. Annual Progress Report

- D12.1 The Administering Organisation must ensure that each supervisor of an APAI Postgraduate Research Student provides to the Administering Organisation an annual APAI Progress Report for each student on a form available from the ARC Web Site. This report is in addition to the Progress Report required under clause 32.3(a).
- D12.2 The Administering Organisation must ensure that each Chief Investigator or APDI who is supervising an APAI Postgraduate Research Student and the appropriate Head of Department sign the APAI Progress Report and certify it is a true and correct record of progress. If any of these parties considers progress not to be satisfactory, they must provide further comment in the report as to the reasons for their forming such a view.
- D12.3 Annual APAI Progress Reports are to be retained by the Research Office and submitted to the ARC upon request.

D13. Default of Partner Organisation - additional APAI requirements

- D13.1 If Funding for a Project is terminated pursuant to this Agreement, the Administering Organisation shall provide financial assistance from the Administering Organisation's funds to enable all the APAI Postgraduate Research Students on the Project to complete their Masters or PhD studies.

D14. Conflict of Interest

- D14.1 An APAI Postgraduate Research Student's involvement in a Project must not generate or represent a significant conflict of interest. This includes that the APAI Postgraduate Research Student;
- (a) must not have any direct or indirect financial interest in any of the Partner

Organisations for the Project; and

- (b) must not hold a position of Director, Board member, or other paid or unpaid senior management or advisory position in any of the proposed Partner Organisations for the Project.

D14.2 The APAI Postgraduate Research Student shall inform the Administering Organisation if such a conflict arises or exists and must:

- (a) describe the nature of the conflict of interest; and
- (b) how it will be managed throughout the life of the Project.

SCHEDULE E

Special conditions Applicable for Projects with an Australian Postdoctoral Fellowship (Industry) (APDI) Element

E1. Commencement of APDI

- E1.1 The Administering Organisation must ensure that APDI Fellows commence their APDI in accordance with clauses 12 and 13 of this Agreement.
- E1.2 The Administering Organisation must ensure that an APDI Fellow does not commence the APDI until after he/she has been awarded their PhD.

E2. Use of the Funding - APDI Fellow's Salary

- E2.1 The Administering Organisation must provide salary funding to each APDI Fellowship holder named in Schedule A for the duration of her/his Fellowship at least at the level of the ARC notional APD salary as listed in Schedule B (or as otherwise varied by the ARC).
- E2.2 Subject to item E4 below, the duration of funding for an APDI Fellowship is a maximum of three years and provision of Funding for the Fellowship is subject to the receipt of satisfactory Progress Reports. Funding for a Fellowship will not be extended beyond three years except as provided for in items E4.5, E4.6, E4.7 and E6 below.
- E2.3 The Administering Organisation must make up any shortfall between the ARC notional APDI salary and on-costs, and the prevailing salary levels for other academic staff at a similar level, from sources other than these Funds, so that the Fellows are no worse off financially than their peers.

E3. Use of the Funding - Relocation Expenses

- E3.1 Subject to the provisions of this item E3, the Administering Organisation may make reimbursement payments from the Funding to an APDI Fellow, including dependants, for relocation costs (for travel expenses and removal of household items only) on provision of full particulars of mode and time of travel and the provision of receipts for all other payments e.g. removal expenses of household items. The Administering Organisation may make a claim for reimbursement of such payments providing a written request is submitted to the ARC within 12 months of the date of relocation of the Fellow.
- E3.2 The Administering Organisation must ensure that travel expenses, where payable from the Funding, do not exceed the cost of the cheapest direct economy airfare for the Fellow and their dependants. If a Fellow elects to travel by car, the ARC will provide reimbursement based on a mileage allowance up to the maximum equivalent of the cheapest direct airfare. On completion of the APDI Fellowship, the Fellow will be entitled to the same return travel provisions provided that the Fellow has not obtained subsequent employment in Australia for a period exceeding twelve months.
- E3.3 Subject to items E3.4 and E3.5 and clauses 17.6 and 17.9, the ARC will pay to the Administering Organisation funding in addition to the Funds specified in Schedule A to cover the reimbursement of relocation costs following receipt of a written claim from

the Administering Organisation and provided that the claim is submitted to the ARC within 12 months of the date of relocation of the Fellow. All claims are to be made in Australian dollars.

- E3.4 The ARC will not provide reimbursement for items it considers are not appropriate or reasonable including, but not limited to: temporary or longer-term accommodation, costs for locating accommodation, rental bonds, purchase or hire of household furniture, telephone and other utility connections, pet housing, and other items considered typical household expenses.
- E3.5 The Administering Organisation may reimburse Fellows and claim from the Commonwealth up to the following amounts for travel expenses for relocation and the removal of household items for APDI Fellows and their dependants:
- (a) a maximum of \$17,000 for a Fellow who relocates from North America;
 - (b) a maximum of \$14,000 for a Fellow who relocates from Europe/Asia (Northern Hemisphere)/Africa/South America;
 - (c) a maximum of \$11,000 for a Fellow who relocates from Asia (Southern Hemisphere)/Oceania; and
 - (d) a maximum of \$8,000 for a Fellow who relocates within Australia.
- E3.6 For the purposes of claims for relocation entitlements, a dependant is defined as a person who moves residence with the Fellow. A partner who transfers employment and residence to the location where a Fellow is to be based can be regarded as a dependant. A child continuing to study elsewhere and not intending to live predominantly with the Fellow is not regarded as a dependant.

E4. Conditions of Employment of APDI Fellows

- E4.1 APDI Fellows may not hold another position for which they receive, or will be receiving, remuneration at either the Administering Organisation or at another Eligible Organisation, unless otherwise approved in writing by the ARC. If the Administering Organisation has not obtained the ARC's approval in writing for an APDI Fellow to hold another remunerated position, the Administering Organisation must ensure prior to the commencement of the Fellowship that the Fellow will not be receiving remuneration for any other position at an Eligible Organisation (including at the Administering Organisation).
- E4.2 The Administering Organisation shall recognise APDI Fellows as academic staff and incorporate them fully into the activities and academic life of the Administering Organisation, but should note that limits do apply [see item E4.3]. Unless the Minister otherwise determines, or as otherwise approved by the ARC, the provision of salaries, recreation leave, sick leave and other conditions of employment for APDI Fellows shall be those of the Administering Organisation.
- E4.3 APDI Fellows may not accept additional appointments or remuneration without the prior written agreement of the Administering Organisation and the ARC. Notwithstanding item E4.1, an APDI Fellow may undertake teaching, research supervision or academic duties in addition to performing the Project but only where it enhances the APDI Fellow's research.
- E4.4 The Administering Organisation must ensure that, during the Fellowship period, an

APDI Fellow shall be entitled to leave of absence for recreation at the rate of four weeks per annum, to be taken at any time during the Fellowship period by arrangement between the APDI Fellow and the Administering Organisation. However, the Commonwealth will not provide additional funds to cover accrued leave proposed to be taken after the APDI Fellowship period has expired or been terminated. If an APDI Fellow's salary entitlements for recreation leave accrued during the Fellowship are to be funded from the Funding, the Fellow must take her/his recreation leave during the period of Fellowship.

- E4.5 The Administering Organisation must ensure that eligible APDI Fellows are entitled to up to 14 weeks' paid maternity leave, during the duration of their Fellowship. The Commonwealth will provide up to 14 weeks' additional funding for this purpose and the Fellowship period will be extended for a period equivalent to the duration of the paid maternity leave. The additional funding for this purpose is to be claimed by means of submission of a "Variation of Funding Agreement" request.
- E4.6 The Administering Organisation must ensure that eligible APDI Fellows are entitled to take up to 2 weeks' paid partner/parental leave at the time of birth or adoption to the parent who is not identified as the primary caregiver. The Commonwealth will provide up to 2 weeks' additional funding for this purpose and the Fellowship period will be extended for a period equivalent to the duration of the paid partner/parental leave. The additional funding for this purpose is to be claimed through the End of Year Report submitted to the ARC or by means of submission of a "Variation of Funding Agreement" request.
- E4.7 In addition to recreation leave as provided for in item E4.4 and maternity and paid partner/parental leave as provided for in items E4.5 and E4.6 above respectively, an APDI Fellow may take additional leave of up to 12 months in total during the duration of the fellowship using accrued leave or leave without pay, providing it is in accordance with the Administering Organisation's normal practice and written approval has been obtained from the ARC. If approved by the ARC, the Fellowship period will be extended for a period equivalent to the length of (full-time equivalent) additional leave taken. In exceptional circumstances, or where warranted on compassionate grounds, the ARC may approve further additional leave and the Fellowship period may be extended accordingly. The Funds for the Fellowship which would otherwise have been payable during the period(s) when additional leave is taken will continue to be paid to the Administering Organisation during the leave period(s) and are to be held on trust by the Administering Organisation during the leave period(s). Other, than in the circumstances provided for in items E4.5 and E4.6 above, the ARC will not supplement the Funds to cover any additional costs incurred as a result of the leave being taken or delay in finalisation of the Project/Fellowship.
- E4.8 Funding for APDI Fellow salaries includes a 28% loading to cover salary-related on-costs, including payroll tax, workers' compensation, leave loading, long-service leave, non-contributory and contributory superannuation, but it excludes items such as extended leave and severance pay. On-costs that exceed 28% and other costs (such as costs associated with or incurred as a result of extended leave and severance pay) must be met by the Administering Organisation.

E5 Infrastructure

- E5.1 The Administering Organisation must provide Fellows with the same access to infrastructure as applies to academic staff at the same level within the Administering

Organisation and afford them equal status with similar staff for the provision of accommodation, access to necessary laboratory and workshop facilities, adequate time on the Administering Organisation's computer and other equipment, stationery, photocopying and typing services. The Administering Organisation is also required to provide reasonable time on major equipment necessary for the conduct of the Fellow's research Project.

E6. Suspension of an APDI Fellowship to undertake other employment

- E6.1 An APDI Fellow may apply with the consent of the Partner Organisation, for a suspension of the Fellowship for a period of up to 12 months in total during the Fellowship period to enable the Fellow to undertake other employment. This may occur if, for example, an APDI Fellow is offered a short-term teaching or research position or to gain work experience in industry. The suspension may be approved only if the work to be carried out during the suspension period(s) is, in the opinion of the ARC, reasonably closely related to the research being performed under the Fellowship by the APDI Fellow. The Fellowship period may be extended for a period equal to the duration of the approved suspension(s). The Funds for the Fellowship which would otherwise have been payable during the suspension period(s) will continue to be paid to the Administering Organisation during the suspension period(s) and are to be held on trust by the Administering Organisation during the suspension period(s). The ARC will not supplement the Funds to cover any additional costs incurred as a result of the suspension or delay in finalisation of the Project/Fellowship.
- E6.2 Subject to item E6.1, if the proposed suspension is to commence after the first 12 months of the Project and is for 6 months or less, the Administering Organisation may, at its discretion and with the consent of the Partner Organisation, approve the suspension. The Administering Organisation must notify the ARC of the suspension in its next Progress Report for the Project.
- E6.3 If the proposed suspension is to commence within the first 12 months of the Project or is to be more than 6 months' duration, the Responsible Officer must apply to the Scheme Coordinator to seek the ARC's approval of the suspension.
- E6.4 Subject to item E6.2, a suspension of a Fellowship without the written approval of the ARC will be a breach of this Agreement and may result in the immediate termination of, and/or recovery of funding for, the particular Fellowship.

E7. Relinquishment of an APDI Fellowship

- E7.1 The Administering Organisation must require APDI Fellows to give one months' notice to the Administering Organisation if they intend to cease working on a Project or reduce their involvement on the Project or relinquish the Fellowship.
- E7.2 The Administering Organisation must notify the ARC in writing as soon as possible after it becomes aware that an APDI Fellowship holder named in Schedule A intends on terminating her/his Fellowship, or is not able to continue performing the Project, in the same capacity as provided for in the award of the Fellowship.
- E7.3 The Administering Organisation must advise the ARC Scheme Coordinator of any significant change in circumstances or the relinquishment of a Fellowship by a fellowship holder named in Schedule A by means of a submission of a "Variation of Funding Agreement" request to the ARC.

- E7.4 If the ARC does not consider a Project viable without an APDI Fellow's ongoing contribution to the Project, funding for the Project in its entirety may be terminated with effect from the date of the changed circumstances and the Commonwealth may recover any or all unspent Funds in accordance with this Agreement.
- E7.5 If the ARC does consider the Project to be viable without the APDI Fellow's contribution, the APDI component of the Project may be terminated and the Commonwealth may recover any unspent Funds relating to the Fellowship for that Fellow.

E8. Conflict of Interest

- E8.1 An APDI's involvement in the proposed project must not generate or represent a significant conflict of interest. The APDI shall inform the Administering Organisation if such a conflict arises or exists and must:
- (a) describe the nature of the conflict of interest; and
 - (b) how it will be managed throughout the life of the project.

SCHEDULE F

Evaluation of the adequacy of Partner Organisation cash and in-kind contributions for the Linkage Projects Scheme

This Schedule is to be used in determining the value of cash and in-kind Partner Organisation Contributions that are required to be provided by Partner Organisations to the Administering Organisation to at least match dollar-for-dollar the financial assistance to be provided by the Commonwealth for Projects within the *Linkage Projects Scheme*.

F1. Underlying principles and practical considerations

- F1.1 The primary objectives in examining the Partner Organisation Contribution are to ensure that:
- (a) the available support is adequate for the successful completion of the Project;
 - (b) the cost of the Partner Organisation Contribution matches at least dollar-for-dollar the financial assistance provided by the Commonwealth over the life of the Project (except for APAIs);
 - (c) the Partner Organisation Contribution is in accordance with the budget, aims and research plan contained in the Approved Proposal or an approved revised budget, aims and research plan; and
 - (d) that if a Proposal for a Project sought on average less than \$50,000 per year from the Commonwealth and included an APAI student, a minimum of \$6,000 cash is to be contributed per APAI student per year for each year the student is to receive a stipend..
- F1.2 The Partner Organisation Contribution requirements specified in clause 10.5 of this Agreement must be met.
- F1.3 In-kind contributions that are shown to be essential and central to the conduct of the Project are given full recognition in evaluating the Partner Organisation Contribution. The onus is on the Administering Organisation to establish the merit of the case for recognition of the level and extent of the in-kind contributions.
- F1.4 With the exception of the APAI-related Partner Organisation Contribution, if the amount of total Commonwealth Funding for a Project varies from the amount sought in the Approved Proposal for the Project, Project Leader must discuss the matter with the Partner Organisation. If the Partner Organisation agrees that the research Project is viable within the parameters of the varied amount of Commonwealth funding, pro-rata adjustments may be made to the Approved Proposal budget in accordance with clause 10.
- F1.5 The Project Leader is responsible for providing the Research Office of the Administering Organisation with evidence of any such Partner Organisation agreement for Funding acquittal and reporting purposes.
- F1.6 In-kind contributions to a Project may include, but are not restricted to, scientific liaison and management, direct technical support, or unique access to reagents, data, processors or equipment.

F1.7 Corporate membership or subscription fees in industrial consortia do not qualify as Partner Organisation Contributions but the allocation of designated research funds, together with the identification of the linkages between the member and the Project, do qualify.

F2. Guidelines for recognising in-kind budget items in Partner Organisation Contributions

F2.1 This list is not all-inclusive. If in doubt as to the acceptability of a particular item, consult the Scheme Coordinator, Australian Research Council.

SCHEDULE G

Special Conditions Applicable for Projects with a Linkage Industry Fellowship (LIF) Element

G1. Use of the Funding

- G1.1 Funding specified in Schedule A for a Linkage Industry Fellowship must be used only for the purpose of salary-related costs associated with a temporary transfer of the researcher identified in Schedule A as the Linkage Industry Fellow.
- G1.2 The Linkage Industry Fellowship must involve a physical transfer of the Fellow for the duration of the Fellowship from one of the Eligible Organisations participating on the Project to one of the other Eligible or Partner Organisations participating on that Project, or vice versa.

G2. Commencement and timing of LIF

- G2.1 The Administering Organisation must ensure that the Linkage Industry Fellowship is commenced and implemented in accordance with the arrangements described in the Approved Proposal, or in accordance with modified arrangements approved by the Minister.
- G2.2 The temporary transfer period must occur entirely within the Funding Period (see clause 4 of this Agreement).

G3. Changes to Linkage Industry Fellowships

- G3.1 If a Linkage Industry Fellow is not able to undertake or continue the temporary transfer as specified in the Approved Proposal or as subsequently approved by the ARC, or is otherwise unable to continue the Project, the Funding for the LIF element of the Project will be terminated and the Administering Organisation will be required to refund any unspent funds relating to the LIF element.
- G3.2 If the ARC does not consider a Project viable without the LIF contribution to the Project and the Fellow is not able to undertake or complete the temporary transfer arrangements associated with the LIF, the Funding for the Project as a whole will be terminated.

G4. Reporting

- G4.1 Any Progress Report which covers the period of the transfer of the LIF and the Final Report must include information on the progress or outcomes of the LIF.
