### Key to Repositories for ERA 2010:

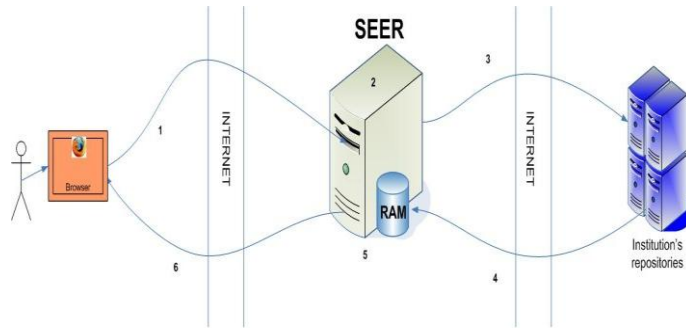

Collaboration  
& Communication

Patience

## Focusing on the ERA 2009 process – Repository/SEER/User

Repository Access Process

Web: [arc.gov.au](http://arc.gov.au) | Email: [info@arc.gov.au](mailto:info@arc.gov.au)

## Key to Repositories for ERA 2010: Testing (12 March – 07 May 2010)

The screenshot shows the 'Repository Navigator' web application. It has a light blue background and several sections:

- Repository Navigator:** Contains 'Expand All' and 'Collapse All' buttons, and a list with one item 'Other'.
- Institution:** Includes a text input for 'Institution Name', a checkbox for 'CARIS may access sample research outputs', and 'Save' and 'Cancel' buttons.
- Repository:** Includes text inputs for 'Repository Name', 'Host URL', and 'Password', a dropdown for 'Authentication Type', and 'Save', 'Cancel', 'Delete', and 'Create Research Output' buttons.
- Sample Research Output:** Includes text inputs for 'Name' and 'Link', and 'Save', 'Cancel', 'Delete', and 'Test' buttons.
- Research Output Test Result:** Includes text inputs for 'When' and 'Tested', a dropdown for 'HTTP Response Code', a dropdown for 'Result', a dropdown for 'Failure Reason', and a text area for 'Notes'. It also has 'Save' and 'Cancel' buttons.

Web: [arc.gov.au](http://arc.gov.au) | Email: [info@arc.gov.au](mailto:info@arc.gov.au)

## Key to Repositories for ERA 2010: Testing (12 March – 07 May 2010)

Research Output Test Result

When: 1/04/10 10:16 AM Tester:

HTTP Response Code: 200 - OK

Result: Passed Failure Reason: Select a failure reason ...

Notes: No Errors, Speed was good

Save Cancel

Research Output Test Result

When: 1/04/10 10:16 AM Tester:

HTTP Response Code: 200 - OK

Result: Failed Failure Reason:

Notes:

Disclaimer | Terms and Conditions

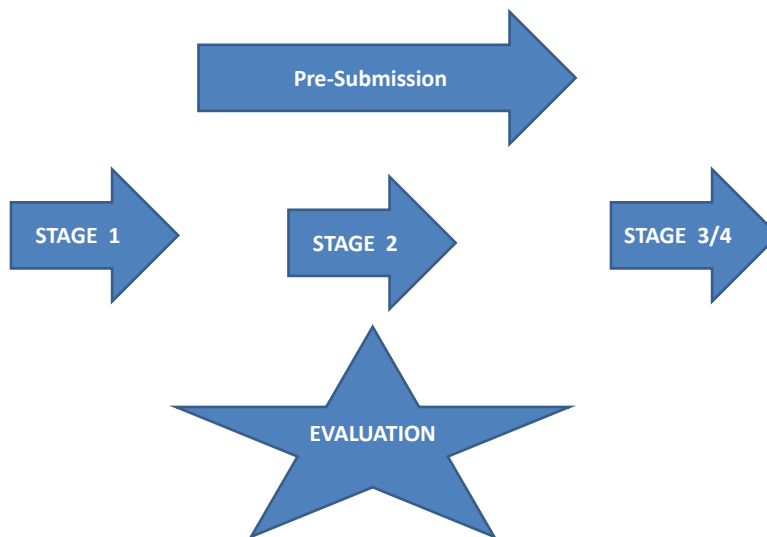

- An ARC error page is returned
- A non-ARC error page is returned
- A form-login page is returned
- A completely corrupted page is returned
- The returned page is fine but is not the page/details I was expecting
- The page is missing images and/or styles
- The links on the page do not work
- A browser pop-up box is returned asking me for a username and password
- Other (please elaborate in the text box)
