2.2 This Agreement operates subject to the Act. If there is any conflict between this Agreement and the Act, the Act prevails.

3. Entire Agreement and Variation

3.1 This Agreement, including Schedules, the Initiative Application and the Guidelines constitutes the entire agreement between the parties and supersedes all communications, negotiations, arrangements and agreements, whether oral or written, between the parties with respect to the subject matter of this Agreement.

3.2 If any part of this Agreement conflicts with any other part, that part higher in the following list shall take precedence:

- (a) the terms and conditions of this Agreement;
- (b) the Schedules;
- (c) the Guidelines; and
- (d) the Initiative Application.

Non-government-related entities, which are liable to pay GST on this transaction with the ARC, will receive a base-funding amount and an additional amount to cover the GST.

5.3 The duration of the funding for *Special Research Initiatives* is indicative only of the intent of the Minister at the time of making the offer of Funding and is not binding on the Commonwealth. In the event that the Minister subsequently makes a determination under section 51 of the Act to continue the Funding, this Agreement will continue to apply to any Initiative granted financial assistance under such a determination.
