

## APPENDIX 2

# GRANT STATISTICS, 2002

This appendix provides statistics from the ARC's National Competitive Grants Program. It comprises three main sections as follows:

- a summary of grant statistics, including data from previous years
- the number of, and funding allocated to, grants awarded in 2002
- the distribution of grants awarded in 2002 by discipline area.

The grant statistics are reported by calendar-year reflecting the calendar-year basis of appropriations under the ARC Act.
