

**CURRENT ARC RESEARCH CENTRES - 2001**

**Special Research Centres**

<i>Institution</i>	<i>Initially Funded</i>	<i>Special Research Centre</i>	<i>Grant for 2001 \$</i>
<b>New South Wales</b>			
Charles Sturt University	2000	Applied Philosophy and Public Ethics	879,265
Macquarie University	2000	Cognitive Science and Cognitive Neuropsychology	727,004
The University of New South Wales	2000	Quantum Computer Technology	1 039,320
	2000	Third-Generation Photovoltaics	415,728
The University of Newcastle	1997	Integrated Dynamics and Control	858,096
	1997	Multiphase Processes	623,592
The University of Sydney	1997	Ecological Impact of Coastal Cities	750,438
<b>Victoria</b>			
La Trobe University	2000	Environmental Stress and Adaptation Research	738,437
Monash University	2000	Green Chemistry	901,610
The University of Melbourne	2000	Particulate Fluids Processing Centre	630,348
	2000	Ultra-Broadband Information Networks	737,398
<b>Queensland</b>			
The University of Queensland	2000	Functional and Applied Genomics	1 039,320
<b>South Australia</b>			
The University of Adelaide	1997	Subatomic Structure of Matter	636,384
	2000	Molecular Genetics of Development	1,039,320
University of South Australia	2000	Particle and Material Interfaces	683,353
<b>Western Australia</b>			
The University of Western Australia	1997	Tectonics	777,880
	1997	Offshore Foundations Systems	911,924
<b>Tasmania</b>			
University of Tasmania	1997	Ore Deposit Research	884,482
<b>Australian Capital Territory</b>			
The Australian National University	1997	Cross Cultural Research	884,482
<b>Total Special Research Centres</b>			<b>15 158 381</b>
