Industrial Transformation Research Hubs for funding commencing in 2018

Key Performance Indicators Report

In accordance with the *Industrial Transformation Research Hubs Funding Agreement* for funding commencing in 2018, the Administering Organisation must complete the following Key Performance Indicators Report for each Project and return via email to ARC-Postaward@arc.gov.au by 16 November 2018.

For information on how to complete this report please refer to *Guidelines for completing the Key Performance Indicators Report for Projects under the Funding Agreement for Industrial Transformation Research Hubs and Industrial Transformation Training Centres*.

Project ID: IH1801XXXXXX

Project Title:

Administering Organisation:

Key Performance Indicators Report

Standard Key Performance Indicators for *Industrial Transformation Research Hubs* for funding commencing in 2018

Key Result Area	Performance Measure	Reporting Frequency	Target 2018	Target 2019	Target 2020	Target 2021	Target 2022
<i>Activities: Research training and professional education</i>							
	Number of staff, postdoctoral fellows and students engaged in mentoring programs (Where possible, each student or postdoc should have both an academic and industry mentor)	Annually					
	Number of partners and external stakeholders involved in mentoring programs	Annually					
	Number of professional short courses/workshops attended by Hub staff and postgraduate students	Annually					
	Number of directly relevant professional short courses/workshops attended by partners and external stakeholders	Annually					
	Number of postgraduate students and postdoctoral fellows working on core Hub research	Annually					
	Number of students and/or post-doctoral fellows placed in/seconded to Partner Organisations	Annually					
	Number of postgraduate completions	End of project					

Key Result Area	Performance Measure	Reporting Frequency	Target 2018	Target 2019	Target 2020	Target 2021	Target 2022
	Number of national and international visitors and visiting fellows	Annually					
	Number of national and international workshops held/organised by the Hub	Annually					
	Number of visits to overseas laboratories and facilities by Hub staff/students	Annually					
	Number of government, industry and business community briefings	Annually					
	Number of Industry visitors to the Hub	Annually					
	Number of talks given by Hub staff open to the public	Annually					
	Number of Research outputs (research outputs may include journal articles, books, book chapters, conference publications. Please disaggregate the measures for each output category)	Annually					
	Quality of Journal publications (provide breakdown – consider whether outputs are peer reviewed, the volume of outputs, citation analysis, esteem measures for individuals such as prizes and awards, etc.)	Annually					
	Number of industry reports and publications	Annually					
	Number of invited talks/papers/keynote addresses (include international conferences held in Australia)	Annually					

Key Result Area	Performance Measure	Reporting Frequency	Target 2018	Target 2019	Target 2020	Target 2021	Target 2022
	Number and nature of commentaries about the Hub's achievements (list media releases, Social media and articles separately)	Annually					
	Number of identified new processes, products or equivalent arising from Hub research	Annually					
	Additional funding secured attributable to ITRH engagement (for example, secured venture capital - \$)	Annually					
	Number of Intellectual Property filings (for example Patents, including provisional)	Annually					
	Number of Intellectual Property licences executed	Annually					
	New staff hired by Partner Organisations directly attributable to engagement with the ITRH	Years 3 and 5					
	Anticipated/forward estimate on Return on Investment (ROI) from project outcomes (\$)	Annually					
	Anticipated/forward estimate ROI of actual/realised ROI (\$)	At end of project					

Key Result Area	Performance Measure	Reporting Frequency	Target 2018	Target 2019	Target 2020	Target 2021	Target 2022
	Implementation of project outcomes by industry (for example: number of processes, products, or equivalent)	At end of project					
	Number of spin-off/start-up companies established	At end of project					

Project Specific Key Performance Indicators¹ for the *Industrial Transformation Research Hubs* for funding commencing in 2018

Key Result Area	Performance Measure: Activity/Output/Outcome/Benefit ²	Reporting Frequency	Target 2018	Target 2019	Target 2020	Target 2021	Target 2022

Certification by Administering Organisation (DVC(R), equivalent or nominee)

The electronic submission of this report to the ARC by the Research Office of the Administering Organisation is certification that the Administering Organisation (DVC(R), equivalent or nominee) has approved the report content.

An electronic signature is not required.

Thank you for submitting this report.

The ARC may contact your organisation if clarification or further information is required in relation to the issue(s) affecting the Project.

¹ These are not intended to be project milestones such as recruitment.

² Refer to [ARC Research Impact information](#) for assistance
