Do you have any current appointment(s) / position(s)

Current appointment(s) / position(s)

Description	Department	Contract Type	Employment Type	Start Date	End Date	Organisation

A3. Profile link from organisation's website

(Enter URL of nominee's profile link from organisation's website)

Part B - Qualifications (CN26XXXX)

B1. Qualifications

B2. Committee and assessor experience (including ARC/NHMRC or similar international positions)

(Please use reverse chronological order for the last five years)

B3. Expertise Text

B4. Select up to ten 6-digit Field of Research (FoR) codes for the above expertise, in order of descending priority

(Only 2020 FoR codes from your Person Profile will be available for selection. If the 'Available FoR codes' section on this question does not show any information, you may not have updated your RMS profile with your 2020 FoR codes. Please complete the 2020 FoR codes in your Person Profile in order to complete the nomination form.

Please note that the FoR code you mark as your Primary code, will determine which disciplinary panel your nomination is received against (refer to Classification Codes–FoR, RFCD, SEO and ANZSIC Codes | Australian Research Council.)

Code	Name	Primary
------	------	---------

Part C - Selection Criteria (CN26XXXX)

C1. Research excellence

(Nationally and internationally recognised research achievements and expertise, as well as attracting grants from competitive granting bodies - nominees should be at the forefront of research in their area.)

C2. Specialist disciplinary expertise and generalist discipline knowledge

(Specialist expertise in a relevant disciplinary research area and your general disciplinary knowledge in two or more discipline areas, referencing the relevant 4-digit FoR codes.)

C3. Research standing, reputation and leadership roles

(Demonstrated high level of involvement in institutional/organisational roles and professional organisations, as a research leader.)

C4. Organisational and administrative leadership skills

(Administrative experience and leadership, committee/team skills such as forward planning skills, advocacy skills and skills in the management of research; personal qualities of fairness, impartiality, integrity and the ability to work effectively under tight timeframes.)

C5. Relevant experience

(Relevant experience working in or collaborating with industry, public sector organisations, community groups, and/or other non-academic organisations. Include details regarding research across multiple sectors and who you may have conducted research and/or other activities with beyond your current sector.)

Part D - Referees (CN26XXXX)

**D1. Provide details of three referees who can comment on your performance against the selection criteria.
One referee must be your current supervisor**

(One referee must be your current or most recent supervisor, and at least two referees should be Australian based)
